Parish Life

Pastor's Corner

The Solemnity of the Epiphany celebrates three great revelations of Christ.

First, His manifestation to the nations, shown in the visit of the Magi.

Second, His baptism in the Jordan, when the Father's voice reveals Him as the beloved Son.

Third, His first miracle at Cana, where He reveals His glory by turning water into wine.

In the Magi, we see a harmony of science and faith. They study the heavens with reason, and arrive in Jerusalem to then consult the scriptures. Both faith and reason, together, lead them to God. Pope Benedict XVI points out, in his *Infancy Narratives* book, that the wisemen don't simply study and talk and ponder, they walk. They go on a journey, they seek the new born king. I hope this year we can not only talk about Christ, or reflect on Him, but like the Wisemen, follow Him.
