

Bishop Klein Council, 6488

Keep Christ in Christmas (KCIC)

Advocate: SK Stephen Dawes

December 9, 2023

The Knights of Columbus, Bishop Klein Council, 6488, hosted their first Keep Christ In Christmas, KCIC, contest in conjunction with St. Stephen School. The students of St. Stephen School were to create a poster based on the KCIC theme. The Council received entries in four of the five categories, with no entries in the Kindergarten category.

The KCIC competition was coordinated by the Council's School Liaison, Br. Stephen Dawes. Stephen worked with St. Stephen School's Vice Principal, Inge Babinec. Inge coordinated with the staff, students, and families of the school to have their entries ready for judging by the Council for pick up on December 8, 2023. Judging of the posters was held on December 9, and was done by nine Brother Knights.

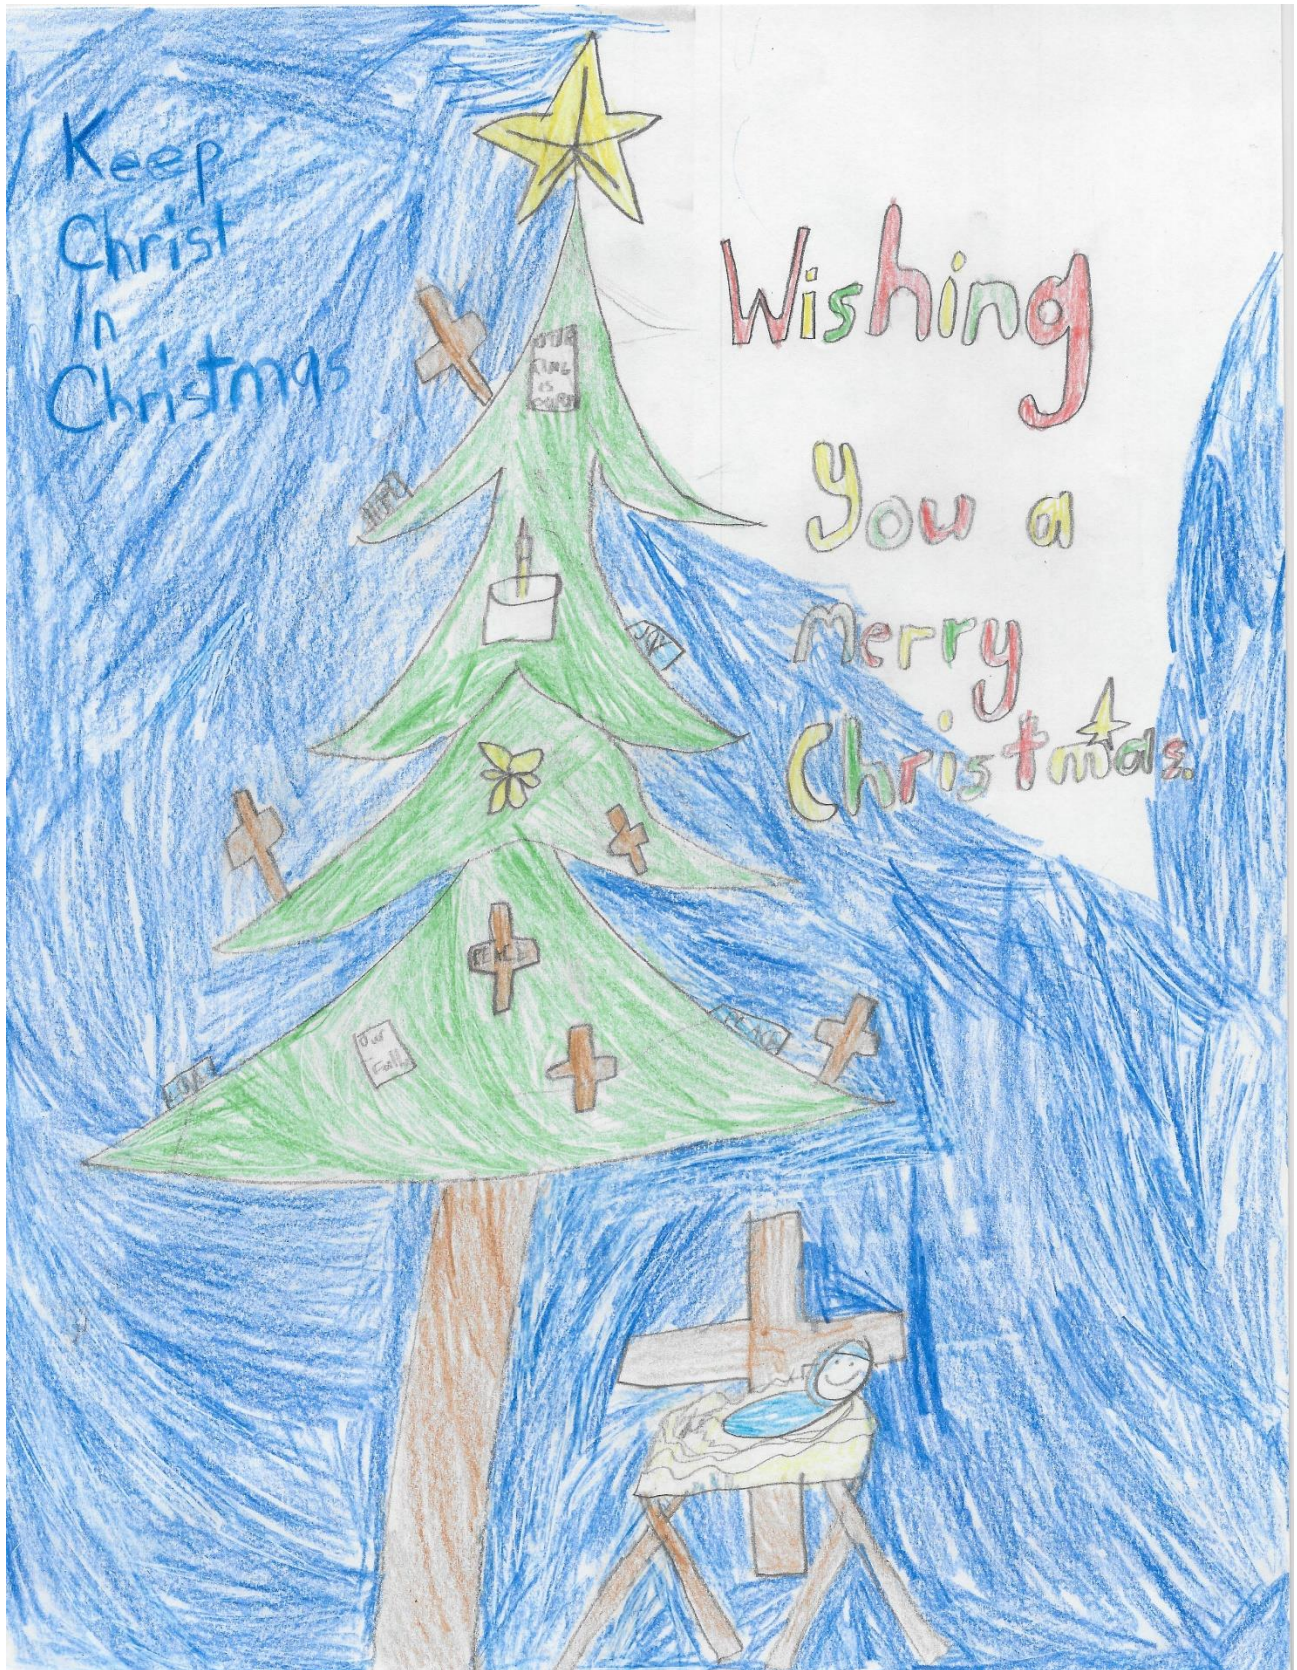

All the posters will be returned to St. Stephen School on December 15, to allow the school to display all the entries in the school in the run up to their Christmas break. Images of the posters were also made during the judging on December 9, to have them displayed on the Parish TV.

In conclusion, the Keep Christ In Christmas competition was a big success for both Bishop Klein Council, 6488, and St. Stephen School. One Brother Knight, summed it up beautifully, when he stated, "I think it's an excellent way to start getting into the spirit of the season."

The Winners are:
