

New Year Blessings

As we welcome a new year, we pause to give thanks for the grace that has carried us through the past twelve months. Each season brought its own joys and challenges, yet in all of it God remained faithful: guiding, strengthening, and quietly working in ways we may only now begin to see.

A new year invites us to begin again. Not by forgetting what has shaped us, but by allowing God to renew our hearts with hope. We step forward trusting that the same God who walked with us yesterday is already present in the days ahead—preparing paths, opening possibilities, and planting seeds of new life.

May this year be a time of healing where wounds linger, courage where decisions await, and peace where worry has taken root. May we grow in compassion, patience, and generosity, becoming signs of Christ's love in our homes, workplaces, and community. And may we notice the quiet blessings that fill ordinary days: a kind word, a shared laugh, a moment of stillness, a reminder that we are never alone.

As a parish family, let us continue to support one another, pray for one another, and celebrate the many ways God is at work among us. May the Holy Spirit guide our steps, deepen our faith, and fill our hearts with renewed joy. Wishing you and your loved ones a blessed and grace-filled New Year.
