Dear Friends,

I am always amazed of God's presence in our lives. All things that happen in our lives happen for a reason. Sometimes the most difficult thing is to find the reason. God comes to meet us in all the situations of our lives. There is not a day I do not thank God for making me the person I am. We are built on our past, strengthened in the present and motivated by our future. God is the owner of the past, the present and the future. We cannot get discouraged because God is always with us in all the circumstances of our lives. The invitation is to let God help us, and by spending time with him in prayer. That is what strengthens me. As someone said: "Those who leave everything in God's hand will eventually see God's hand in everything."

On the other hand, God puts us in each others lives to be his hands. With that in mind, I am looking for volunteers to help me to build up the "Good Samaritan Ministry." This group of Samaritans will bring cooked food to the homebound parishioners. This does not happen all the time. For instance, we were contacted this week by someone asking if the parish could send volunteers to bring food to a 91 year old woman who does not have family to take care of her. She has an aid, but her aid is sick. Although we want to send someone, we do not have the volunteers to do so. I am appealing for your consideration to join this ministry. Volunteers would bring cooked food and spend a little bit of time with the homebound person. In that way, the volunteer becomes the hands of God.

Thank you!

Have a good weekend

Fr. Carlos Briceño
