

## OUR STAFF

A dedicated team is in place from the moment your child arrives. Certified teachers have developed a faith-based curriculum and college and high school students will serve as volunteer leaders together with St. Elizabeth's clergy. Small group discussions will be led by our staff. Stories will be shared that highlight the impact of faith in our lives.

Our counselors are an energetic, genuine, and caring team of high school students who are passionate about serving and sharing their faith. These capable summer staffers will encourage, invest in, and serve as amazing role models in faith and action.

## NO ORDINARY CCD!

Join the St. Elizabeth's Summer CCD Program and watch your child's faith flourish while they engage in worship, music, art, activities, and endless fun! We've designed the program to offer a nurturing and engaging environment where children will grow in their faith and enjoy a variety of exciting activities.

**Faith Formation:** Faith formation is at the heart of everything we do. Through daily prayers, interactive discussions, and engaging activities, we aim to deepen your child's understanding of their Catholic faith. Our experienced and passionate counselors will guide your child on a journey of spiritual growth, helping them to develop a strong foundation in their relationship with God.

**Music and Art:** We will ignite your child's creativity through our music and art ministries. Our music minister will teach new songs that celebrate our faith, and art sessions will encourage self-expression and imagination, allowing campers to create projects inspired by our religion.

**Activities:** A wide range of activities will keep campers active and entertained throughout the day. From sports and games to team-building exercises and outdoor adventures, there's something for everyone. Campers will develop new skills, build friendships, and create lasting memories.

## GROW IN FAITH

**Fun:** Our program is designed to ensure that campers have a blast while strengthening their spirituality with a focus on fun. With exciting theme days, talent shows, scavenger hunts, and special events, every day will be filled with laughter, excitement, and joy.

**Safety and Supervision:** The safety and well-being of our campers are our top priorities. Our dedicated staff members are trained to ensure a safe environment for all participants. We maintain a low camper-to-counselor ratio to provide individual attention and supervision throughout each day.

**"The goal of our Summer CCD program is to plant the seeds of Jesus' love into the hearts of our campers and watch them grow with joy and enthusiasm over their two-week journey."** - Father Stephen Fichter
