"There are no strangers here... only friends you haven't met."

Today we will hear of horrifying signs that may portend the end of the world: earthquakes and famines, wars and persecutions. Even though these warnings were given two thousand years ago or more and the world has not yet ended, they can still spur us to action now. As we celebrate Mass today, let us look at our lives and consider what we should change and then resolve to do so now.

Dear Parish Family,

The month of November has many important special days to remember and celebrate. We started the month by focusing on our celebration of holy people: the Feast of All Saints and the Feast of All Souls. A few days ago our country celebrated Veteran's Day: an annual celebration honoring the country's military veterans, that is, persons who have served in the United States Armed Forces. Another important church feast celebrated a few days ago which I want to mention is the Feast of St John Lateran. It's not a person but a holy place-a basilica in Rome. Those of you who have travelled to Rome may have been awed with the beauty of St Peter's Basilica, but it is not, we can say, our most important church. St John Lateran is the official Cathedral of the Bishop of Rome, the Pope. Because of this, it is regarded as Mother church of the Catholic world. This feast reminded us strongly that we are one Church-one throughout the entire world. It celebrated who we are as a Church. Our oneness is based on the fact that we believe that Jesus Himself founded our Church and that we are all united in Him. As a Church, we try to fulfill the mission to bring life, healing and unity to the world!

Belated Happy Feast Day,
Father Dwight
