REGENT MESSAGE

Christmas has passed and we have completed a very successful 2018 thanks to the generosity of all our CDA sisters. We had 20 volunteers for the Bell Ringing for the Salvation Army. We had a very successful Christmas party. We had 33 members attend along with 34 Knights of Columbus members and 10 guests/spouses. Our Adopt A Family committee collected over \$2000.00 and was able to provide a nice Christmas for the family of 7 children, provide the mother with money for day care and travel with enough left over to help throughout the new year. We thank Janet Spicer and her wonderful committee for their dedication to the project.

I hope all of the CDA Sisters and their families had a wonderful Christmas season. Advent and Christmas is always a time of reflection. We can review our blessings and failures and look forward to the new year. Most importantly, we can ask God our Father through the intercession of the mother of Jesus Christ to help us fulfill all our obligations in the new year and ask that He gives us the

grace, strength and courage to stand up for what is right and withstand any calamities that may befall us.

We have much to accomplish in the new year. Our first project is the Valentine Bake sale followed by the Chicken/Spaghetti Dinner. Our raffle tickets were available for the January 24th meeting. If you were not able to receive your tickets at the January meeting, please pick up your raffle tickets after the Saturday/Sunday Masses in February. Sell as many as you can or purchase them yourself. We have some very nice prizes this year. It is also very important that you volunteer to help out in the various areas and to make this a very successful endeavor.

A PRAYER FOR PRIESTS

A Prayer for Priests

O Jesus, our great High Priest,
Hear my humble prayers on behalf of your priest, Father [N].
Give him a deep faith a bright and firm hope and a burning love which will ever increase
in the course of his priestly life.

In his loneliness, comfort him

In his sorrows, strengthen him

In his frustrations, point out to him that it is through suffering that the soul is purified, and
show him that he is needed by the Church, he is needed by souls, he is needed for the work
of redemption.

O loving Mother Mary, Mother of Priests, take to your heart your son who is close to you
because of his priestly ordination, and because of the power which he has received to carry
on the work of Christ in a world which needs him so much.

Be his comfort, be his joy, be his strength, and especially help him to live and to defend the
ideals of consecrated celibacy. Amen.

HUMAN LIFE ACTION

Catholic Daughters of the Americas®

Operation Morningstar

Volume X, No. 2 December 2018

National Headquarters 10 West 71st Street New York, NY 10023

Health and Human Services stops buying aborted baby body parts for research

Human Life Action, an affiliate of the United States Conference of Catholic Bishops (USCCB), reported that in September Health and Human Services (HHS) ended a Food and Drug Administration (FDA) contract to purchase aborted baby body parts for research. The contract was with [Advanced Bioscience Resources](#), ABR, a fetal tissue procurement company that had [contracted with multiple Planned Parenthood abortion facilities](#) to harvest aborted fetal body parts and then sell them to researchers. Congress referred ABR for criminal prosecution after a thorough investigation into illegal fetal tissue trafficking in the United States.

In addition, HHS began a comprehensive review of all research involving fetal tissue to determine whether alternatives exist to the use of human fetal tissue in research.

In response to this announcement, Cardinal Timothy Dolan, Chairman of the USCCB Committee on Pro-Life Activities, issued a [statement](#) applauding "Secretary Azar and the Administration for cutting off ties to a company whose business is to procure aborted baby parts for research."

Cardinal Dolan urged the Administration to "act quickly to cease all funding for research involving body parts from aborted babies."

Cardinal Dolan said, "For the federal government to create a demand for abortion and use these

children's body parts for research is wrong. ...Under a pro-life Administration, there is simply no room for callously using aborted children to further a research goal."

Human Life Action urges citizens to email Secretary Azar (secretary@HHS.gov) thanking him for these initial actions and urging him to act quickly to cease all funding for research involving body parts from aborted babies. Taxpayer dollars should only be used for ethical research. Here is the suggested email wording:

Stop funding research that uses aborted baby body parts. Thank you for terminating the contract between the FDA and Advanced Bioscience Resources to purchase tissues and body parts from babies killed by induced abortions. That, and the other actions you announced, are a good first step toward ending this unethical collaboration with the abortion industry. But you must do more by immediately ending the use of my tax dollars for research that callously exploits aborted children. Especially under a pro-life Administration, I expect and urge the Department of Health and Human Services to use our tax dollars only for funding ethical research that respects all human life from conception to natural death.

FROM THE DESK OF THE SECOND VICE STATE REGENT

MEMORIAL SCHOLARSHIP

– REBECCA BROWN

God's peace be with you.

I am very happy to say that the Memorial Scholarship Fund has reached \$25,000.00; which is ½ of the goal set for May 2019.

Thank you to all the courts who have contributed to date. Five months are left to raise the other ½ for scholarships.

Contributions from April 2018 through March 2019 are totaled and the amount is awarded to graduating high school seniors in May 2019. The students must submit an application which can be printed from the Texas CDA website, www.texascd.org. The application is due by January 31, 2019 and mailed to my P.O. Box.

Students must be related to a CDA member or a JCDA member and be sponsored by a CDA court which has contributed at least \$50.00. If you are not sure your court has contributed to the MSF project, contact me. Spread the word to your court members and have students related to CDA members apply for the Texas State CDA scholarship. Catholic Daughters of Texas have constantly awarded scholarships to over 40 students each May.

Ever need some idea for using our Mass cards? One court is providing their veterans with spiritual remembrance and is including

a Mass card with each one. Another court has Mass cards available through their religious store.

Mass cards are flying out of the hands of a court who is selling them after each Mass. Have you considered sending our Mass cards to your CCE teachers, co-workers, new babies born each month, or even the President of the United States? Mass cards can be sent to our veterans, nursing home residents, new church members, get well bouquets, government officials, doctors, and thinking of you greetings.

Don't limit Mass cards to Texas residents. Encourage your court members to continue using the Mass cards for varied occasions. Everyone needs prayers! Our Blessed Mother Mary encourages us to pray unceasingly. We all know prayer can change hearts, minds, countries, and the world.

Russia was converted and popes have been saved.

Thank you for your invitations and your continued support.

May you be blessed with God's peace.

{In Christ We Love}

NOTE: Look in the CDA sisters in Action for pictures of Ct 2547 with their Veteran's Bouquets.

CMG to Replace VIRTUS

FROM THE DESK OF MELANIE VIKTORIN

The CMG Safe Haven online training is replacing the VIRTUS training. The training consists of 3 vignette style training videos that is approximately 60 minutes and will include a criminal background check that must be completed.

These trainings are available in English and Spanish. We will no longer offer live trainings, all Safe Environment trainings will only be available online.

CDA/KC Christmas Dinner

CDA AND K OF C JOINT CHRISTMAS PARTY

The CDA/KC Annual Christmas Party was held after the 5:30 pm Mass on Saturday, December 1 in Wlecyzk Hall. In attendance were 34 Knights of Columbus, 33 Catholic Daughters, and 10 spouses/guests. The Knights provided the entree for the dinner, a delicious ham; and, the Catholic Daughter brought covered dishes of vegetables, potatoes, and desserts. Everything was delicious. The meal was followed by the singing of Christmas carols and games. Christmas gifts were presented to the clergy including Msgr. Leo Wlecyzk, Father Loc Phan, and Deacon Gary Forse and to Michael Pellizzari who assists the Catholic Daughters in all of the setup of the hall and Angelina Room for our monthly meetings and various other functions. The evening ended with drawing for door prizes. A good time was had by all. Hope to see everyone next year!

LONE ROSE SUNDAY

Sunday January 20 is designated as Lone Rose Sunday by the Knights of Columbus and is commemorated at St. Michael the Archangel Catholic by the placing of the crosses on the parish grounds. Plans for the activity were made by Juan Serros, Youth Minister, and Kathleen Calhoun, Pro-Life Chairman for the Catholic Daughters. The crosses are placed each year to commemorate the murder of the unborn. A new analysis published by the National Right to Life Committee indicated there have been

an estimated 60,069,971 abortions since the Supreme Court handed down its 1973 Roe vs. Wade decision allowing virtually unlimited abortions. We must continue to pray that more women will recognize that the abortion is truly the taking of a life. In Jeremiah 1:5, God's word, it is written "Before I formed you in the womb I knew you, and before you were born I consecrated you; I appointed you a prophet to the nations."

"REKINDLE THE FIRE IN OUR HEARTS"

FEATURED SPEAKER:

BROTHER HERMAN JOHNSON, O.P.

Brother Herman was raised in New Orleans. He studied with the St. Mary Dominican sisters in grade school. When he was ten years of age, his father read him the story of the Dominican Brother, St. Martin de Porres. Immediately, he discovered this is what God wanted him to be! It was endlessly understandable. Like Martin de Porres, he has beautiful dark skin, speaks Spanish, loves dogs and cats. He sees all people as beautiful.

As a Dominican Brother, he lives at St. Anthony of Padua Priory in New Orleans. He teaches Spanish at nearby Xavier University. Like all Dominican sisters and brothers, he has a lot of formal education: three masters degrees - Spanish, Counseling, Theology and a Doctorate in Spanish from Columbia University. However, all professional credentials pale to his vocation as a Dominican friar.
