Regent Message

Regent Message

CDA Sisters,

Christmas is almost here. I want to wish all our Catholic Daughter members and their families a very happy, holy Christmas. The year is coming to a close and we have accomplished much. And, next year will bring new challenges.

Our first big hurdle for the new year will be our major fund raiser, the Chicken Spaghetti Dinner. We are counting on all the members to help make this one of our most successful years yet. We depend on this fund raiser to earn us the funds we need for our scholarships, our donations to the youth of our parish (Summer Camp, Mission, Vacation Bible school) and our community. The hard work of our members brings happiness, relief and aid to many. Work has already started on gathering our raffle prizes and Sandy Seeley will be looking for members to assume leadership roles in the kitchen, Angelina Room, Grab

Bag and Silent Auction. When she calls you, please say yes!!! Your help is greatly needed. Please pray for the success of our fund raiser and that we will again have many generous members pitch in and make it a great success.

Presently, let us focus on Advent and Christmas. Advent helps us prepare for the birth of Christ and His second coming at the end of the world. The first two Sundays in Advent look forward to Christ's second coming, and the last two Sundays look backward to remember Christ's first coming. With a focus on the spiritual renewal of the season, Christmas can be a season of great joy. It is a time of God showing His great love for us. It can be a time of healing and renewed strength. May you experience great spiritual growth during this Advent and Christmas season. Remember to pray for our church, our country, and our community.

A Message from Our National Clergy Consultant

Live In the Spirit of Christmas

Father Edward Lamp
National Clergy Consultant

Dear CDA and friends,

On that first Christmas, the angels praised God, saying, "Glory to God in the highest, and peace on earth to men of good will." The shepherds came and adored the newborn Savior. St. Luke wrote, "And Mary treasured all of these things and reflected on them in her heart." We too need to pause and treasure the gift of Christmas in our hearts. And that gift is simply Jesus, true God who became true man, who came to reveal perfectly God's truth and love to us, who died and rose for our salvation, and who founded a Church – a family – where His presence continues in both Word and Sacrament. Treasure and reflect on the gift of Jesus and the faith you share in Him as a member of the Catholic Church.

Moreover, we must not let Christmas just be a passing day. Live in the spirit of Christmas each day. Reflect upon how to better treasure this gift each day by making prayer a critical part of your day, by continuing to read Sacred Scripture and the teachings of our Church, by having a stronger devotion to the Blessed Sacrament and the Mass, by regularly making a self-examination of conscience and going to Confession, and doing those good works for those entrusted to our care and for those in need. May such reflection of the gift of Christmas, move us by God's grace to an even more intimate relationship with our Lord this year. May our souls be like the stable in Bethlehem where Christ first made His dwelling among us.

Lastly as your National Clergy Consultant, I treasure the gift of you and the dedication, sacrifices, and hard work you have shown to make The Catholic Daughters a beacon of Christ's love. In particular, I thank those who serve in the various leadership positions of Catholic Daughters. On behalf of our National Board and all of the Staff at National Headquarters in New York City, I wish each of you a blessed and joyous Christmas and New Year! Please be assured of my prayers for your intentions and a remembrance at Holy Mass. May the peace, joy, and love of the Holy Family be present in your lives each day of the New Year.

May God bless you,
Fr. Edward Lamp

Did you Know.....

Who Are The Catholic Daughters?

National Regent
Olga Samaniego

The Catholic Daughters of the Americas is one of the oldest and largest organizations of Catholic women in the Americas.

They donate to charities, administer scholarship programs and strive “to be helping hands where there is pain, poverty, sorrow or sickness.”

The CDA motto is “Unity and Charity.”

The CDA was formed over 100 years ago and today numbers 66,000 dues-paying members in 1,150 courts (local chapters) in 45 states across the country and in Puerto Rico, Mexico, Guam, the Virgin Islands, Kenya, and Peru.

Catholic Daughter women enjoy each other’s company at meetings and work hard for their parishes and communities.

Deeply spiritual, together they share faith, love of God and a distinctly feminine spirituality alluded to by Pope John Paul II when he spoke of the necessity of “feminine genius” in today’s world.

The program includes concerns of

today’s church and society as well as issues that affect the well-being of women and children.

The Legislative Program encourages interested members to learn about laws that may influence their faith and to contact their state representatives to make their personal positions known through Operation Morning Star [The Catholic Daughters of the Americas does not endorse political candidates].

Girls and young women ages 6-18 can join the Junior Catholic Daughters of the Americas.

Young college women can become members of Campus Courts at some universities.

Circle of Love

Circle of Love

The image above is symbolic of our CIRCLE OF LOVE program. By definition, a circle is a curved line with every point equal distance from the point of the center and bound together by the common interest. The seven point program of the CIRCLE OF LOVE is bound together by the common interest- LOVE.

The small heart in the center is taken from the logo of the HEART SPEAKS TO HEART program. By utilizing this portion of the logo and part of the Heart Speaks to Heart program that is compatible with the Circle of Love, a smooth transition occurs.

The Cross and Crown in the center of the heart is the national symbol of the Order of the Catholic Daughters of the Americas.

The seven points selected indicate the needs of the Church and community best served by the Catholic Daughters. The program itemizes these needs with suggestions on how Catholic Daughters can effectively serve. [On the National CDA website,] please click on the heart of each individual point to learn more about it.

The "CIRCLE OF LOVE" program portions of this Web site are gathered to assist Catholic Daughters in working with the Church and community. We are

indeed very aware of the needs in society that are deeply affecting today's generation, the elderly, and human life. To be effective in promoting good works, we must reach out and make a difference in the lives of those who are suffering, whether it be through their own fault or the circumstances in which they find themselves. If we are to be

"Jesus hands and feet" as is pledged in the Act of Consecration during the Installation Ceremony, then we must use the talents He gave us, become educated in new fields, volunteer our services and financial assistance where needed.

Local Courts are asked to select those portions of the programs that their members feel comfortable working on in their area. If many projects are selected, the task can become burdensome and little is accomplished. Members need to experience fulfillment when the projects are completed. This can happen when courts are selective in choosing court programs.

Many persons were involved in the formation of "Circle of Love". The National Board, members of the National Office and State Officers all had a part in the final adaptation. Thanks goes to each one of them.

FALL 2018

PAGE 2

Be Not Afraid!

Fr. Gregory T. Labus

Our culture in the United States operates on various calendars – the civil calendar of January-December, the school calendar of August/September-May/June, the fiscal calendar of July-June and various other calendars.

Unfortunately, many Catholics forget about our calendar, the Liturgical calendar. Our liturgical calendar helps us remember, through the rich seasons and feasts of Our Lord's life, the mysteries of our salvation.

As these mysteries are re-presented to us every year, we are given the opportunity to enter more deeply into our relationship with the Savior. In addition to Our Lord, various feasts of Our Blessed Mother and the saints help us to continue to strive to be the best disciples we can be by following their example.

During the autumn months the school calendar seems to predominate. Families are busy with many things to help our children and young adults get started for a new school year. On the liturgical calendar it is just the opposite. The Church during this time is winding down her calendar. The last three months of Ordinary Time are beginning to point to the end times. It is a time that the Church invites us to reflect on the "Last Things", that is death, judgment, heaven and hell.

All of us need reminding that we are not destined to live in this world forever. Life here is temporary. Psalm 90 tells us that we live here for seventy or eighty years for those who are strong. (ps. 90 vs. 10)

However, these days some people live to be a hundred years old but also many are called back to the Lord at a much younger age. In any event, this life is to be seen as a pilgrimage toward our true homeland which is in heaven with God, our Blessed Mother and all the angels and saints for eternity.

In this light, knowing that heaven is our eternal destiny, the Church calls on all of us to strive to live the commandments now. We are exhorted to always be prepared spiritually for the moment God will call us back to himself. When death claims our mortal bodies, God will judge us according to our faithfulness in keeping his commandments, above all the great commandment of love.

While our culture does not like to hear about judgment, we must be firmly grounded in the knowledge that God is a God of justice. He will judge each person at the moment of death and in the general judgment at the end of time when Christ comes in glory. Then all will inherit their eternal reward. The righteous will inherit eternal life in heaven and the unrighteous to eternal death in hell where we are reminded "there will be wailing and grinding of teeth." (Mt 13:42)

As we experience the temperatures begin to moderate and trees put on their autumn color preparing for winter, let us remember that the liturgy is mirroring this also. We are being called to prepare ourselves and to examine our lives. Have we fed the hungry, clothed the naked and visited the sick? The scriptures tell us to be vigilant and to beware that our hearts not become drowsy from carousing and drunkenness and the anxieties of daily life, and that day not catch us by surprise like a trap. (Lk 21:34)

For when He comes again in glory, He will separate the sheep from the goats. We want to be numbered among the sheep and hear the King say "come, you who are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world. For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me, naked and you clothed me, ill and you cared for me, in prison and you visited me." (Mt. 25:34-36)

Circle of Love – Education, by Iris Hinojosa

A sincere thanks to all the courts that participated in the 2018 education contest. I do pray that this coming year more courts will participate in these contests. Competition increases self-esteem, creativity and responsibility; and, young students of today enjoy competition.

The new school year has begun so, this is an appropriate time to begin promoting the education contests in our courts. Regents, please inform your courts about the education contests. All local courts have energetic and competitive students; so, encourage your students to participate in these events. The following are the six contests: art, essay, poetry, computer art, music and photography.

CDA ladies!! You can participate in the following events: art, computer art, poetry, and photography. There are many talented ladies in each Texas court; so take time to share your talents.

Circle of Love Education must not be overlooked. Local courts work hard; so, recognize your achievements and send the reporting form to the state chairmen. All courts deserve recognition! I am looking forward to your participation.

Best wishes in all your endeavors and may God Bless You.

VIRTUS

What is Virtus *Online*™?

VIRTUS *Online*™ is the brand name that identifies a state-of-the-art, web-based platform that provides best practice resources 24 hours a day, seven days a week. Our system provides a comprehensive menu of functions for churches, religious organizations, and facilities from one convenient web-based resource. Through these functions we can help church organizations prevent wrongdoing, manage risk and improve service to community through education, training, and best practices. The home page (the page you are now viewing) is provided free of charge to anyone in the world with access to the Internet. The subscriber pages (pages requesting a user name and a password) are intended for users from organizations that subscribe to the VIRTUS® program.

Virtus *Online*™ Supports Ongoing Training

Most training programs (seminars, live sessions, videos) establish awareness, but few change behavior. With the VIRTUS programs, the potential for successful behavioral change can be increased via our VIRTUS *Online* system. Every training program, in addition to live and video awareness sessions, provides ongoing web-based training. These regularly scheduled online bulletins and web-based training courses reinforce the knowledge points made during the awareness sessions. Moreover, every training program is tracked so the organization knows who has or has not trained. Plus, most of the online training bulletins and modules are interactive allowing trainees to contact and interact with a training.

From Msgr. Leo, Chaplain

From Msgr. Leo: Many of our parishioners who are serving in our ministries are no longer in compliance with the Archdiocesan Safe Environment Program (**Virtus**). After 5 years of attending a training session, you are **required** to complete an online training update. If you volunteer with children, youth, scouts or SVDP you are required to be in compliance. It is highly recommended that all members of the parish be in compliance because of the number of children and youth that are present at so many events. *Please help us keep them safe.* If you have questions, or are no longer an active volunteer, please contact Melanie at melanie@smlj.org/979-297-3041.

CDA Annual Fall Buncó Bash

Fun and Fellowship was Had by All

Thanks to all who attended and/or helped make our Fall Buncó Bash such a huge success. Our decorating crew of Dottie Mensik and Bunny Swist made everything look beautiful. Karen Koranek, Isabel Respondek and Susie Mensik kept the drink containers filled and the food tables organized. As always, we had a great variety of delicious dishes to sample. Ann Riedel and Sarah Ebey managed the steady line at the check in table – we had 65 participants. There were 887 food items donated. The donation table was really busy. This kept Pat, Katie and Betty Jo jumping - greeting old and new friends, counting/tearing tickets and moving the food out of the way as fast as possible. There was a lot of fellowship and much laughter going on – screams of “BUNCO!” were continually heard throughout the hall. There were 47 door prizes donated and displayed on the stage “THANK YOU” is not big enough to

express what this means to SVdP and the great work they do. I know there were many other busy hands helping make this successful, to many to list, so thanks to you all!

Blessings,
