Summer can be a difficult time for many, when extreme heat can contribute to wildfires and drought, heat-related illness and difficulty breathing. It is disturbing, then, to hear Jesus say in today's Gospel, "I have come to set the earth on fire!" Jesus' mission was as much to challenge as to comfort. As disciples, we are challenged to remain faithful, no matter the weather. Have we been set on fire in our commitment to our faith?

Dear Parish Family,

The words "exceptional" or "outstanding" are understatements to describe the Installation mass and fellowship that followed last Sunday. As your new pastor or the "new kid on the block", it was indeed gratifying to see many who came to witness me being installed as your new pastor. Some who came were former parishioners from other communities where I served and they were there like you to support and pray for me. What a blessed day it was! So many faith-filled moments are hard to forget from — the very young to the not so very young!

It is truly a humbling experience for me to realize what we can do together as a parish community. With God's presence among us, there is no cause that we cannot do or achieve. Yes, we can do it together. And that was very evident last Sunday!

So many of you to compliment! So many of you rose to the occasion! There is not enough space to list all of you. You have done extremely well! You have planned and worked in the last weeks to get ready for just one day. I want to thank all of you. ! We hope you might take us all to the next level by volunteering for the next parish event. Let us continue to work together, striving to arrive at a common oneness with God and one another for our St Michael parish family!

Sincerely, Fr Dwight

Women of the parish who may be considering joining **Catholic Daughters**: you are invited to attend our first meeting of the year on August 22nd at 6:30pm in the Angelina Room.

Did you know:

- Catholic Daughters send their newly elected officers to training so we can better serve our members and parish family?
- Our Charter celebrated our 28th Anniversary on August 13th.
