Regent Message

REGENT MESSAGE

Winter is just about finished and spring is looming on the horizon. We have had a productive winter. We served a family meal on February 22, 2020, for 137 members of the parish. We educated the parish members and CDA sisters from the surrounding CDA Courts with the showing of the movie, "*Unplanned*." And, we finished off February without major fundraiser, the "Chicken Spaghetti Dinner, Raffle, and Silent Auction. We could not have accomplished all of these endeavors without the help and emotional and physical support of all the members of Our Lady Queen of the Lake, Court 2364. Thanks to all of the members who made these functions a success.

Now, Lent is approaching. It is a time of spiritual renewal. A time for us to review the last year and ask ourselves did we do all we could do to enrich our spiritual life and the spiritual lives of those around us. It is a time to deepen our relationship with Our Lord and Savior, Jesus Christ. How can we do this? We

can get up early for Mass everyday in Lent. St. Jerome always has a daily 6:30 a.m. Mass except on Saturdays. We can offer kindness to all we encounter. Give generously to worthy causes in our area. Say the rosary daily for the conversion of our country and our church. Pray for an end to abortion. The list is endless.

The rest of the year will be full of opportunities for our members to give of themselves to the needs of others. We have the "Brain Fair" bake sale in March. We have our own Mother's Day bake sale in May. And, we will be electing new officers to lead us through the coming year. To serve as an officer for the Catholic Daughters is a great opportunity to be of service to your fellow CDA sisters and the parish and community at large. If you are called, it is my prayer that you will answer, "Yes." We need members who are not afraid to step forward and take charge, if only for a two-year period. Thank you for all you do.

“LIKE THE VILLAGE FOUNTAIN”

This is part on an article in the CDA National Quarterly, December 2019 issue, titled “Like the Village Fountain” by Mast Reverend Brendan J. Cahill, S.T.D. National Chaplain

A few years ago, someone was preaching about St. John XXIII and the person quoted some words of the saintly Pope. St. John XXIII hoped for the Church to have a motherly face. He believed that her task was to keep "her arms open to receive everyone," and be a "home for one and all" that "desires to belong to everyone, and in particular she is the Church of the poor, like the village fountain."

St. John XXIII prayed a simple prayer every day that kept him connected with Jesus. It was a commitment of 10 things each day and is called the daily Decalogue of Pope John XXIII. I think this could be a powerful prayer for us...

- 1) Only for today, I will seek to live the livelong day positively without wishing to solve the problems of my life all at once.
- 2) Only for today, I will take the greatest care of my appearance: I will dress modestly; I will not raise my voice; I will be courteous in my behavior; I will not criticize anyone; I will not claim to improve or to discipline anyone except myself.
- 3) Only for today, I will be happy in the certainty that I was created to be happy, not only in the other world but also in this one.
- 4) Only for today, I will adapt to circumstances, without requiring all circumstances to be adapted to my own wishes.
- 5) Only for today, I will devote 10 minutes of my time to some good reading, remembering that just as food is necessary to the life of the body, so good reading is necessary to the life of the soul.
- 6) Only for today, I will do one good deed and not tell anyone about it.
- 7) Only for today, I will do at least one thing I do not like doing; and if my feelings are hurt, I will make sure that no one notices.
- 8) Only for today, I will make a plan for myself: I may not follow it to the letter, but I will make it. And I will be on guard against two evils: hastiness and indecision.
- 9) Only for today, I will firmly believe, despite appearances, that the good Providence of God cares for me as no one else who exists in this world.
- 10) Only for today, I will have no fears. In particular, I will not be afraid to enjoy what is beautiful and to believe in goodness. Indeed, for 12 hours I can certainly do what might cause me consternation were I to believe I had to do it all my life.

May God bless you and your families with peace and good health and may we be like the village fountain that gives water to all who are thirsty!

BLESSINGS BEHIND STRUGGLES AND DISAPPOINTMENTS

St. Angela Merici is the patron of the sick, disabled and physically challenged people and those grieving the loss of parents.

Angela Merici was born on March 21, 1470, at Desenzano, Lombardy, in Northern Italy.

She was orphaned at the age of ten, and she and her sister went to live with their uncle at Salo, a nearby town. When she was thirteen years old, Angela joined the Secular Franciscan Order (also called the Third Order), and began to live a life of prayer and self-discipline. In 1495 her uncle died, and Angela moved back to Desenzano. Here she had a vision. She saw herself teaching a group of young girls. Angela invited some of her Third Order friends to help her teach girls from poor families, and she opened a school in her home. In 1516, she was asked to come to Brescia to start another school just like it. Angela made a pilgrimage to the Holy Land. During the trip, she lost her sight, but miraculously received it back. In 1525 Angela went to Rome for the Holy Year. While she was there, Pope Clement VII asked her if she would like to be the superior of a community of nursing sisters. But she explained that God wanted her to devote herself to teaching the poor, and she went back to Brescia. In 1533 Angela started training a group of women to be teachers. By November 25, 1535, there were twenty-eight women in the group. Together with Angela they wanted to dedicate their lives to God and to teaching young girls, especially the poor. They chose St. Ursula, the patroness of medieval universities, as their patron saint. The women remained in their own homes at first. Because of many difficulties, it was a long time before they could live together in a convent. But little by little this community of young women started by St. Angela developed into the Ursuline Sisters, the first congregation of teaching

sisters in the Church. Angela died on January 27, 1540, when her congregation was still in its beginning stages. Her trust in God had gotten her through many hard tests in her lifetime. There was no doubt in her mind that the Lord would take care of the mission she had begun. And so, he did. Today the Ursuline Sisters have spread to many countries.

Angela's sisters continue to work for Jesus and his Church, especially in the education of children and young adults. Angela was proclaimed a saint by Pope Pius VI in 1807. (iMissal Saint A Day)

St. Angela Merici reminds us that our own struggles and disappointments can help us understand the hurts of others. When we are willing to reach out, the Lord will use us to bring his blessings to others. We can ask St. Angela to show us how to be sensitive and compassionate. To honor her virtuous life, let us reflect on what she said:

☞ Do not lose heart, even if you should discover that you lack qualities necessary for the work to which you are called. He who called you will not desert you, but the moment you are in need he will stretch out his saving hand.

☞ Consider that the devil doesn't sleep, but seeks our ruin in a thousand ways.

☞ We must give alms. Charity wins souls and draws them to virtue.

☞ You will accomplish more by kind words and a courteous manner than by anger or sharp rebuke, which should never be used except in necessity.

☞ Disorder in society is the result of disorder in the family

Peace in Christ,
Father Vincent-Vuong Nguyen

Quarterly Corporate Communion

January – February
2020 Newsletter – p. 6

WHY HAVE A QUARTERLY CORPORATE COMMUNION?

Four times a year the Catholic Daughters celebrate Mass together. Why is the quarterly celebration of the Mass by the court as a group important? The answer is simple. The Quarterly Corporate Mass brings us together as one showing our unity. We process into Mass as one group. That is why it is important for each member at Mass to make an effort to join in the celebration with the group as one. The Quarterly Corporate Communion demonstrates the dedication each member of the group has to the court and to the services the court provides. The gathering at Mass and processing into the church also increases our visibility in the parish. It may inspire women of the parish to ask, "Who are the Catholic Daughters? What do they do?" The Quarterly Corporate Mass also shows the spiritual side of the Catholic Daughters. As a group we support each other in the deepening of our spiritual life. Our next Quarterly Corporate Mass will be April 26, 2020 at the 9:30 Mass. Mark it on your calendar. Make attending the Quarterly Mass a priority. Come show support for the Catholic Daughters of the America.

COURT 2364 SHOWED “UNPLANNED”

On February 16, 2020, the Court of Our Lady Queen of the Lake, 2364 showed the movie, “Unplanned” to our parish, CDA sisters, and the youth of the parish. The purpose of showing the movie was education. The court wanted to educate the Catholic families in the area about the horrors of abortion and the lasting effect it has on the person having the abortion, and the community at large. A second purpose was to educate the Catholic family about the real goal of Planned Parenthood which is to increase their wealth at the expense of the community at large. The film exposed the lies they tell the women seeking an abortion. It identified the real risks of having an abortion.

UNPLANNED

The planning of the showing of the movie took place over two months. We cleared it with Father Dwight and enlisted the help of the Faith Formation Director Claudia Sereno. Janet Gipson helped with getting the movie set up correctly. And, nine volunteers joined with Dottie Mensik and Juanita Oppermann in setting up and decorating for the day. We served popcorn, soda, and candy. We tried to establish a real movie atmosphere. But, the movie itself was real food for thought. Each person left that evening with an increased awareness of the seriousness of abortion and the culture of Planned Parenthood.
