

Good afternoon St. Michael's Parish Family

Well we have POWER on the church campus! Hopefully it will stay on but we are ready either way.

We realize many in the city and area still do not have power but certainly do wish to thank all the men and women who have worked so hard over the past week to restore services.

As it has already been communicated, Adoration will be closed Saturday and Sunday and will resume Monday.

Thank you for your understanding and God Bless.
