Dear Parish Family,

Last Sunday was certainly a day of blessings! God answered our prayers. We prayed for good weather and we got it. We also prayed for a good participation and attendance and we certainly achieved that. Indeed, it was a day full of blessings! God is just so good! Some of you came up to me and asked me if I was pleased with the turnout of that day. Certainly, I was ! It was just heartwarming to see so many from our parish family gather together that day.

I would like to thank the bazaar committee, the sponsors, the Knights of Columbus, Catholic Daughters, Women of St Michael, Faith Formation Staff, Youth office, Boy Scouts and Girl Scouts, parents of our kids, and the many volunteers that made the day such a success! Also my appreciation to all who answered the call for to donate baked goods and drinks.

In a special way, I would like to thank all of you who prayed that we may have a successful parish bazaar. You are all outstanding!

Certainly, we are still a growing community, striving to arrive at a common oneness with God and one another! Let us continue to work together, laugh together, and enjoy with each other together as the St Michael the Archangel Parish Family!

Thank you!
