Dear Parish Family,

A week from today we will be celebrating our yearly parish bazaar. We as a Christian community do not only gather for religious services but at times gather for fun and fellowship. I hope you and your family are planning to come. When was the last time we came together with fellow parishioners to have fun? And, I also hope that you have invited your friends and relatives from other places and communities as I have many times encouraged you to do. I know that one the purposes of this event is to raise funds to augment our parish financial situation. Monies raised will help us a lot! But, as I would always say in communal gatherings such as this one, there is a far greater, and unseen effect happening. It brings us all together and celebrates our common oneness as a community. Isn't that what we are called to be? Isn't that what we desire for ourselves to be one as well? I hope we will have good fund raising as well as FUN raising as we celebrate ourselves as a community.

As we prepare ourselves for this day, I would like to ask you, not just your presence and a whole load of your friends, neighbors, relatives, and former parishioners who moved to other places, but to please pray for us on that day. Last Sunday at all the masses I asked everyone present to please pray for a successful parish bazaar this year. The success of our bazaar last year was phenomenal to say the least. I hope that we can achieve the same success as we did! Again, I ask you to pray!

Come and have fun and let us enjoy each other!!!

Sincerely,

Fr. Dwight
