ISSUE 1. WINTER 2020

ST. DOMINIC VILLAGE  
*A Senior Care Community*

# A MESSAGE FROM AMY

Amy Shields, CEO

Happy New Year! It is hard to believe that we are in the year 2020! As I begin my 7th year of leadership here at St. Dominic Village I am so proud of all that we have accomplished.

Most recently the St. Dominic Village Rehabilitation and Nursing Center (RNC) was elevated to a 5-Star status by the Centers of Medicare and Medicaid Services. The RNC also received a deficiency free survey this year.

Our Evening with the Bishops event continues to grow, and we hosted our first Spring Luncheon. The growth of these events helps to raise much needed funds for our entire community!

In 2020, Project Renovare, is going to provide a much needed update to certain areas of our campus. It has been over 17 years since St. Dominic Village has had any sort of major renovation, and it is time. We are in the process of raising the 1.2 million dollars in funds to make this project happen. It will provide our residents with new Bistro dining options, a health and wellness center, a refreshed technology center, update courtyards, new resident rooms, and much, much more! Please go to our website, or feel free to reach out to me for more information and to see how you can help!

I am looking forward to a fabulous New Year here at SDV, as we continue our mission of "Caring for Our Elders with the Compassion of Christ."

# PRIDE AND HERITAGE

By Monica Snell

*Ms. Delfina (second from left) with her three daughters.*

Ms. Delfina first came to St. Dominic Village to join her sister, Rose, in 2016. Her sister has since passed, but Ms. Delfina has many other relatives to come for visits. "Someone is always here visiting her, sometimes more than once a week," shares Ms. Delfina's daughter, Marti, who attended college on this campus in the 1970's.

"We all went to Catholic schools, and when choosing a place for mom we wanted to continue our Catholic traditions," says daughter Anna.

Ms. Delfina was born in Mexico City, and raised in East Houston with her eight brothers and sisters. At 23, she married her beloved husband of 55 years in the Immaculate Heart of Mary Catholic Church, which her Aunt Mary helped name as a child according to Thomas H. Kreneck's book *"Del Pueblo: A pictorial History of Houston's Hispanic Community."*

Her mother's large, tight-knit family of 12 immigrated to the U.S. at the start of the Mexican Revolution. They were described as "high energy parishoners." Ms. Delfina's grandmother, Mama Fina, who she is named after, "took care of the altar and the linens used for mass."

Ms. Delfina has always loved spending time

with family and friends. Coming from a large family, and raising one of her own has always been one of her biggest blessings. She raised six children, and is grandmother to 17 grandchildren and 20 great-grands.

"She says that the only reason she had children was so that they could give her grandchildren. She loves being a grandma!" laughs Anna.

Ms. Delfina has always been a devoted matriarch, and has always enjoyed reading. She also loves to dance! When asked how she's doing she responds with a confident, "Nothing hurts. I love the people here. We have a lot of recreational activities, Mass, bingo, and I like that there is always fresh fruit."

"She's always smiling, and never has any complaints." says Marti.

Ms. Delfina is an exemplary resident, and a blessing to our community.

# THE MOST WONDERFUL TIME

By Kimberly Elliott

The annual resident Christmas parties were held the first week of December. On Monday, December 9th, The Rehabilitation and Nursing Center hosted its residents, families and friends. Santa's elves coordinated a festive evening with plenty of food, drinks and live music. Each family had the opportunity to pose for pictures that were printed to take home.

St. Dominic Village CEO, Amy Shields explained, "The Christmas celebrations are so important because it allows us to bring the spirit of the Holidays to our residents. So many of our residents celebrate the season at SDV and cannot go home with their families so it is important to bring as much joy as we can to the campus."

Just a couple of days later, on Wednesday, December 11th, it was time for the Assisted Living and Independent Living residents to join in the campus auditorium for a special evening of their own. Residents donned their holiday best and enjoyed a spread of delicious goodies. At both of the parties, the St. Dominic Village staff volunteered as servers, photographers, bar tenders and bussers. The parties provide a special evening for our residents to celebrate the spirit of the season with their special guests, friends and neighbors.

When asked Amy about the campus wide staff involvement Shields stated, "These celebrations also allow our residents the opportunity to bring their families and friends to our campus. It is so fun to watch them as they introduce their loved ones to their SDV friends and staff."

We are so lucky to spend this joyous time together on campus, and hope that you and yours had a very...

## Well Wishes!

After five years of service to St. Dominic Village, Director of Development, Kimberly Elliott, will be moving on to serve as Executive Director of another nonprofit. We're very sad to see her go, but wish her well in her new endeavor.

"It has been an honor to work at the very place where our residents live. It is a unique setup that allows employees to interact with the people they serve. Thank you to Amy Shields for her leadership. I will miss the friends I have made and the campus very much." she shared with us.

# PLANNED GIVING

## *Leave a Legacy*

Making a legacy gift to St. Dominic Village is a powerful expression of faith in our mission, and goodwill for the future of our campus. Many of our donors give to make a lasting impact by helping support a cause that is personally meaningful to them, while taking their needs and the needs of their loved ones into consideration. You don't have to be wealthy to leave a legacy. You can make a substantial gift by designating St. Dominic Village as a named beneficiary in your existing life insurance

# PROJECT *Renovaré*

ST. DOMINIC VILLAGE  
A Senior Care Community

Our Board of Directors with input from the Strategic Planning Committee, residents, families, and staff, has agreed on a project that will have the greatest impact on St. Dominic Village, today and in the future. Funding for the project will be derived from grants and individual donations.

*We humbly ask that you give to make this project a success!*

Send your donation by mailing a check to:  
c/o Development Dept.  
2401 Holcombe Blvd. | Houston, TX 77021

You can also text "HELPSDV" to 44-321 or visit  
[stdominicvillage.org/project-renovare](http://stdominicvillage.org/project-renovare)

## PROJECT SCOPE

**Charlotte Hall and the Tower** - This project will update and refresh the social area in Charlotte Hall and the Tower. This area is currently the gathering place for our Independent Living residents. It is also the first place that prospective families and residents visit when coming to our campus.

**Rehabilitation and Nursing Center** - This part of the project involves the renovation of Station 1 in the Rehabilitation and Nursing Center (RNC). The RNC is the highest revenue-generating area of St. Dominic Village. Updating this area will appeal to higher revenue-generating patients who require skilled nursing care and/or short-term rehabilitation. This change will not affect the number of licensed Medicaid beds.

*Our residents, staff, and Board of Directors thanks you in advance for your generous contribution.*
