# A MESSAGE FROM AMY

Amy Shields, CEO

Happy 2022! I hope that everyone enjoyed the Christmas Season and the New Year with family and friends, and that you were able to take some time to reflect and be thankful for all your blessings!

As we embark on the New Year, I think it is important to look back and evaluate our successes and

challenges from the previous year. 2021, met St. Dominic Village with both. As you see from the 2021 Snapshot (located on page 3), we employed an amazing group of staff who cared for over 500 residents! We were able to open the doors again to Warren Chapel, and volunteers were welcomed back to our campus. We received much needed financial support from our donors and foundations. Not noted on the snapshot, but just as important, we were able to allow open visitation back on our campus and bring so much joy back to our residents!

Most of the challenges in the last year (really the last 2 years) are due to the pandemic. We saw a decline in our overall census, while at the same time we have continued to have an increase in expenses

## BISHOP SHELTZ

By Amy Shields, CEO

At the close of 2021, St. Dominic Village lost a dear friend. Bishop George Sheltz passed away on December 21, 2021. Bishop Sheltz was a native Houstonian and dedicated his life to the Lord as a priest for more than 50 years. He meant so much to so many in the Archdiocese of Galveston-Houston. Bishop Sheltz's history with St. Dominic Village goes back to when both of his parents lived here. He often reflected that it was their time at SDV that developed his dedication to this community. He lovingly served as a Board Member and donor for many years. Despite his busy schedule, he attended almost every event that we hosted and served as the celebrant at countless Masses in our Warren Chapel.

related to COVID-19 and staffing challenges, which have led to a never-before-seen expense for contract labor.

We continue to meet our challenges with a positive attitude and a strength from God which carries us through. I am excited about the year ahead! We will meet new residents and staff, host fundraising events which will bring in much needed funds and support, and we will start construction on Project Renovare, which is the reality of a dream that is 5 years in the making! I ask for your prayers as we continue our Ministry and Mission of "Caring for Our Elders with the Compassion of Christ". It is an honor to lead this organization and to care for the residents that we serve! I look forward to your support this year!

Cardinal DiNardo and Bishop Sheltz.

He believed in our Mission, and it was evident in all that he did to support our Ministry. After his retirement he chose to make his home here at St. Dominic Village, at the Archbishop Fiorenza Priest Retirement Home. He will be missed greatly by our Board of Directors, staff, and residents.

# FALL LUNCHEON

By Kimberly Elliott  
Director of Development

St. Dominic Village hosted the 2nd Annual Fall Luncheon in our campus auditorium on Thursday, October 28th. The audience at this sold-out event were thrilled to welcome the Guest of Honor, Mr. Johnny Carrabba to the stage! He spoke to the crowd about "Faith, Food and Family", sharing many personal stories and memories related to his successful restaurant career and life growing up here in Houston, Texas. Rose Carrabba, Johnny's mother, was also in attendance and the two made the day a lot of fun!

Each year this event highlights a resident that lives at St. Dominic Village and lets them share their story. This year Ms. Bea Cunningham shared stories about her family, her career in education, as well as her experiences here at St. Dominic Village. She also spoke about the new book that she has authored, Waiting for Jesus.

The luncheon had a raffle with some fabulous items and one lucky guest at each table won a door prize. Our guests had an amazing lunch that included Mama Mandola's Sicilian Chicken soup and Carrabba's Cannoli's. SDV resident, Father Fred O' Conner opened event with a prayer and Bishop Dell' Oro ended the lunch with a blessing for everyone.

The luncheon was a huge success and all funds raised directly go to our residents by supporting the Resident Subsidy Fund, and our mission of "Caring for Our Elders with the Compassion of Christ".

# NURSE'S STATION

By Robbie Bradford, RN  
Director of Nursing

There is not a magical diet or supplement to boost your immune system. To ensure the immune system is as strong as it can be, there are a few things you can put in your life to help.

- Start by adding enough vitamin A, C and E, B6 and D, eat enough protein and fruits and vegetables that have antioxidants.
- Get sufficient sleep. Sleep is when your body works its hardest to combat inflammation and infections.

- Staying as active as you can!
- Drink plenty of water.

Be careful of the surfaces that you touch and always wash your hands or use at least a 75% alcohol-based hand sanitizer.

The immune system plays a big role in helping us fend off attacks from viruses and bacteria. There is no magic pill but making sure you add these items will strengthen your system.

# COUNTING OUR BLESSINGS

By Patricia Egerman  
Spiritual Care Director

The beginning of December saw a continuing flow of fully vaccinated old and new volunteers, some carolers, volunteer musicians providing classical and Christmas music, and generally a return to near normal. Warren Chapel was open to everyone. Sunday Mass in the Rehabilitation and Nursing Center was supported by a full complement of volunteers to set up, assist residents, and participate as liturgical ministers. Volunteers were committed to distributing Communion to the residents who were unable to attend Mass, and all was well in our Village.

At this time due to COVID-19, we have temporarily made some changes to our volunteer program.

We will continue to evaluate how best to serve and keep our residents safe. We will continue to count our blessings; blessings that will endure through these challenges and beyond.

A few of the blessings we are counting:

- The wise decisions made by our administration to keep the residents safe.
- A compassionate and caring staff.
- The sure and certain knowledge that our group opportunities, both spiritual and simply social, and our faithful and faith filled volunteers will return.

We pray in thanksgiving for these blessings and for the myriad of unnamed blessings God showers upon us every day.

# PLANNED GIVING

## *Leave a Legacy*

Making a legacy gift to St. Dominic Village is a powerful expression of faith in our mission, and goodwill for the future of our campus. Many of our donors give to make a lasting impact by helping support a cause that is personally meaningful to them, while taking their needs and the needs of their loved ones into consideration. You don't have to be wealthy to leave a legacy. You can make a substantial gift by designating St. Dominic Village as a named beneficiary in your existing life insurance, or naming us in your will.
