

ST. STEPHEN CHURCH

2023 FALL CRAFT FAIR

Saturday, December 2, 2023

St. Stephen Parish Community Center
228 West Street, Warwick, NY 10990

St. Stephen Church will be holding a Christmas Craft Fair on Saturday, December 2, 2023, in the Parish Community Center, 228 West Street, Warwick, NY.

Vendor applications are now being accepted on a first-come-first-served basis, from the date the completed Vendor Application and payment is received.

Spaces are 10' long by 7' deep and can accommodate an 8' table. Up to 2 chairs per space will be provided. Vendors can provide their own table or rent an 8' x 2.5' table for an additional fee.

Cost:

\$35/ single space, \$70/ double space, \$10 table, \$10 electric

Each vendor is required to donate an item, valued between \$10 - \$20 to St. Stephen Church for a Craft Fair Tricky Tray. The donated item will be collected by a Craft Fair Volunteer during vendor setup.

Setup will begin at 7am on Saturday, December 2. After unloading goods, vendors will be asked to relocate their cars to the designated parking areas to leave room for shoppers near the main building entrance.

To avoid duplication of the same type of craft/merchandise and to provide a variety, only two vendors/crafters with the same type of item and only one vendor per company will be allowed. Please be very specific when completing the application form regarding the type of craft and merchandise you will be selling.

Please help us advertise the Christmas Craft Fair by mentioning the event to fellow crafters and friends as well as posting on any websites you host.

Thank you for your consideration.

Best Regards,

Theresa Mandracchia
Jan Gray
