Today we hear Jesus describe the relationship of the Holy Trinity. He tells his disciples that everything the Father is his and that the Holy Spirit would take from what is his and declare it to them. Everything the Father has, the Son has, and the Holy Spirit will reveal it to us. Our Father in heaven provides a model of selfless generosity to our own fathers, whom we honor on this day, as they freely share what they have with their children. Today we praise the Holy Trinity—Father, Son, and Holy Spirit—and their unique, united relationship.

NEW VATICAN WARNING ABOUT FAKE VIDEOS

In light of continuing advances in technology, the Vatican media has issued a warning about videos that combine images of the Pope with a voice almost identical to his own, creating speeches he has never made through the use of AI. This type of artificial content creation is called "morphing", and unfortunately, has existed for some time. It's important to remember that if you do not see a reputable source attributed to content associated with Pope Leo XIV on social media, all of His official speeches, addresses, and texts can be found in their entirety at vatican.va.
