Marriage Moments: "Conduct your affairs with humility" (Sirach 3:17). It's human nature to want respect and to be thought well of. But sometimes we humans unconsciously puff ourselves up or find ways to draw attention to our importance. A loving spouse can give us honest feedback when we are sounding our own praise too strongly.
Parenting Pointers: "Everyone who exalts himself will be humbled, but the one who humbles himself will be exalted." (Luke 14:11) Have you ever been embarrassed? Sure. If your child is old enough, share your experiences. Most parents brag about their child at some point but be cautious of too much bragging.
Word of Life: The Church has consistently taught that every human life is precious and worthy of protection.
