God's little ones deserve to be nurtured

The Early Childhood Development Center

faith, learning, and development.

A MESSAGE FROM OUR PASTOR

Dear Parish Family,

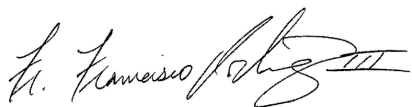

As we look to the future of our parish, I invite you to join me in a renewed vision for our Early Childhood Development Center (ECDC). This ministry is not a daycare, but a preschool that offers a sacred space where the seeds of faith, wonder, and lifelong learning are planted in the hearts of our youngest children.

Imagine a center where Christ is at the heart of every lesson, where children feel safe, loved, and inspired to grow into the fullness of who God created them to be. Through faith-based education, nurturing care, and joyful play, our ECDC will serve as a beacon of hope and foundation for families seeking not only academic excellence, but also spiritual formation.

My vision is to grow a center that supports parents, forms young minds and hearts, and strengthens our parish family. With your prayers, support, and involvement, we can continue to build a Christ-centered environment where children thrive and the Gospel comes alive in their earliest years.

Let us walk forward in faith, planting seeds today that will bear fruit for generations to come.

Ad Jesum per Mariam,

Rev. Francisco Rodriguez III
Pastor
