Instruction for the Faithful for Ash Wednesday

To create the safest liturgical environment possible during the Pandemic, the Vatican issued an instruction that slightly modifies the way ashes will be administered this Ash Wednesday. This year, the priest will say the formula, "*Repent, and believe in the Gospel*", or "*Remember that you are dust, and to dust you shall return*" only once to all in a general way. He will then sanitize his hands, put on a mask, and precede to administer ashes with the assistance of others as necessary. Ashes will ***not*** be imposed on the forehead. Rather, ashes will be sprinkled on the head of the person. This is customary in many countries and allows the minister to avoid touch many people. The faithful are free to bow their heads to receive the ashes if they choose. This would be helpful if there is a significant height disparity between the minister and the recipient. The instruction notes that the faithful either come forward or remain standing in place.

Instrucción para los fieles para el Miércoles de Ceniza

Para crear un ambiente litúrgico más seguro durante la pandemia, el Vaticano emitió un instructivo que modifica ligeramente la forma en que se administrarán las cenizas este Miércoles de Ceniza. Este año, el sacerdote dirá la fórmula "Arrepentíos y creed en el Evangelio", o "Recuerda que eres polvo, y al polvo volverás" sólo una vez a todos de manera general. Luego se desinfectará las manos, se pondrá una mascarilla y procederá a administrar las cenizas con la ayuda de otros según sea necesario. No se impondrán cenizas en la frente. Más bien, las cenizas se esparcirán sobre la cabeza de la persona. Esto es habitual en muchos países y permite al ministro evitar tocar a muchas personas. Los fieles son libres de inclinar la cabeza para recibir las cenizas si así lo desean. Esto sería útil si hay una disparidad de altura significativa entre el ministro y el destinatario. La instrucción señala que los fieles se acercan o permanescan de pie.

Saint Scholastica
Feb. 10

She was born in 480, in Nursia, Italy. Her mother died in childbirth. She is the twin sister of San Benito. Both gave themselves to God from a very young age and reached holiness in religious life. After her brother went to Montecasino to establish the famous monastery, she settled about five miles away, in Plombariola, where she founded a monastery and the Benedictine order of nuns which she ruled following her brother's rule. Saint Benedict and Saint Scholastica met regularly to pray together and share about the spiritual life. She died around the year 547. San Benito died 40 days later.
