

## Middle School Math Teacher and 6th Grade Homeroom Teacher

Our Lady of Loretto Elementary School is a Catholic transitional kindergarten through 8th-grade elementary school. OLL is dedicated to developing the whole child by focusing on the social, emotional, cognitive, and spiritual growth of our students. We strive to educate the students with 21st Century skills grounded in the traditions of our Catholic faith. Our graduating students are well-rounded and fully prepared for success in the Bay Area's most rigorous college preparatory high schools. Our teachers take pride in being highly professional and innovative along with developing and designing a curriculum that allows for the success of all students.

### **Position Responsibilities:**

We are looking for a strong candidate who can take on the position of our middle school math teacher with the focus of teaching the 6th through 8th-grade upper division math classes for the 2023-2024 school year.. This position also requires the teaching of the 6th-grade religion and literature curriculums. The candidate will take on all responsibilities of a middle school teacher at OLL.

### **Applicants should have the following:**

- \*A valid Multiple Subject or Single Subject California teaching credential or working towards your valid Multiple Subject/Single Subject Credential
- \*A minimum of a Bachelor of Arts or Science Degree with emphasis in mathematics preferred
- \*A passion for teaching middle school students
- \*Strong interpersonal skills and a willingness to work collaboratively with parents, students, and colleagues for the success of the students.
- \*Strong communication skills and a positive disposition when dealing with students, parents, colleagues, and administration.
- \*Classroom management skills that incorporate researched-based strategies that are positive and lead to student and class success
- \*Teaching and/or experience with working with children
- \*Demonstrated communication skills with parents, faculty, and students
- \*Ability to utilize technology in a classroom environment and to integrate technology on a daily basis
- \*Commitment to excellence and rigor for all students
