

ST. Matthew Catholic School

History Teacher (Junior High | 6th-8th) for the 2024-2025 School Year

Serving a diverse community of over 600 students from Kindergarten – 8th grade, our teachers collaborate with each other to educate our students to a high standard, in both academics and character. We strive to form our students to be **PEARLS**: **P**eople with strong character, **E**ffective communicators, **A**ctive Christians, **R**esponsible citizens, and **L**ifelong learners.

St. Matthew's has a supportive parish community, and community of school parents, who partner with us in forming *saints* and *scholars*. We have a multitude of resources available to support all staff and to set up our teachers for success. We are a double class school; teachers have partner teachers to work and collaborate with, as well as full-time instructional aides in each classroom from K-4th grades, and a shared full-time instructional aide in 5th grade and in the Junior High. New teachers have access to a strong yearlong mentorship program, as well as access to ongoing professional development tailored to individual and communal needs. All teachers receive instructional support from the principal and the dean of academic excellence; student disciplinary support from the dean of students; and support for differentiated instruction, student success, and RTI's from the dean of student services. Teachers also have access to a generous classroom supply fund to utilize for materials and supplies for classroom enrichment beyond your provided basic classroom supplies.

Required Qualifications:

- BA/BS Degree
- Enthusiasm for teamwork, collaboration, and collective efficacy
- Excellent communication skills

Preferred Qualifications:

- Experience teaching in a Catholic school (*and ideally at the JH/Middle School level*)
