PASTOR'S LETTER TO THE PEOPLE OF MARY MOTHER

Happy Holy Family Sunday and happy Christmas time! We do remember (do we not?) that it is Christmas time, and not a holiday that ended 3 days ago, when much of the world cast aside the sacred Christmas music at midnight December 26th, and the warm Christmas spirit in all the stores turned into an after Christmas sale.

For us in the Church, the climax of Christmas time is not until next Sunday, Epiphany! That was when the presence of the newborn King was manifest officially to all the world through the visit of the Magi from three faraway lands. I have heard many faithful people struggle with the name of Holy Family Sunday because they know their families are far from holy, as they see it, and they hear the Scriptures this weekend about the perfect original Holy Family and feel they are falling so short of Mary and Joseph and Jesus.

I prefer a better definition of holiness from spiritual directors of mine, that true holiness is in the effort to grow spiritually. I say, if you're trying, you're holy!

Also, I prefer to see my many, many imperfections as something that I share with all of humanity, and so with all of you who find yourself falling so short of perfect holiness- something that unites us- and gives us a reason to be community, like that family in Bethlehem and Nazareth and so support each other in our effort to reach higher!

I would also like to point out for our hope, the figure of Joseph, who was not 'Conceived without sin' and is certainly not Incarnated without sin like his foster son Jesus! Joseph is just like the rest of us but manages to find his way to holiness. Well, look at the company he kept!

So, there is a hope but also an inspiration for the rest of us. If we want to grow in holiness, let's take a look at the company we keep. And if you happen to go looking for holier company this holiday time, may I offer, you will find them at Mary Mother. I know I have.

Christmas love.

Father Steve

WELCOME TO MARY, MOTHER OF THE CHURCH

Welcome to Mary, Mother of the Church. We are happy that you are joining us today. If you are visiting us, we pray that through our worship, you may see us as a radiant light in the world and a bold witness to those whose lives we touch, inspiring them to love one another as God loves us.

If you would like more information, or if you would like to **register with Mary, Mother of the Church**, please contact us by coming into the parish office Monday through Thursday from 9:00 a.m. - 5:00 p.m. or Friday 9:00 a.m. - 4:00 p.m. You can email: agaravaglia@marymother.org or call us at 314-894-1373.

We hope you find a home here among friends who pray together, work together and play together.

To make it easier for our new members to get acquainted with us, please wear your nametags.

Inclement Weather Policy

There is a change to our inclement weather policy: When Mehlville School district cancels classes due to weather conditions only, weekday morning Masses will only be live streamed. This will allow enough time for the parking lot to be cleaned. Our policy to close our campus for the day will still be in effect. If Mehlville cancels evening events only, then our evening events will also be cancelled. This impacts things such as Eucharistic Adoration, meetings, exercise programs, prayer groups and sports. PSR families will be communicated to directly. Weekend Masses will be held as usual, but use common sense when venturing out in icy weather. Your safety comes first!

To see our policy for inclement weather please go to our website www.marymother.org and on the home page go to our parish. Scroll down to more resources for more details. Your safety comes first so, if there is any question in your mind about coming or not please stay home.

PSR COORDINATOR

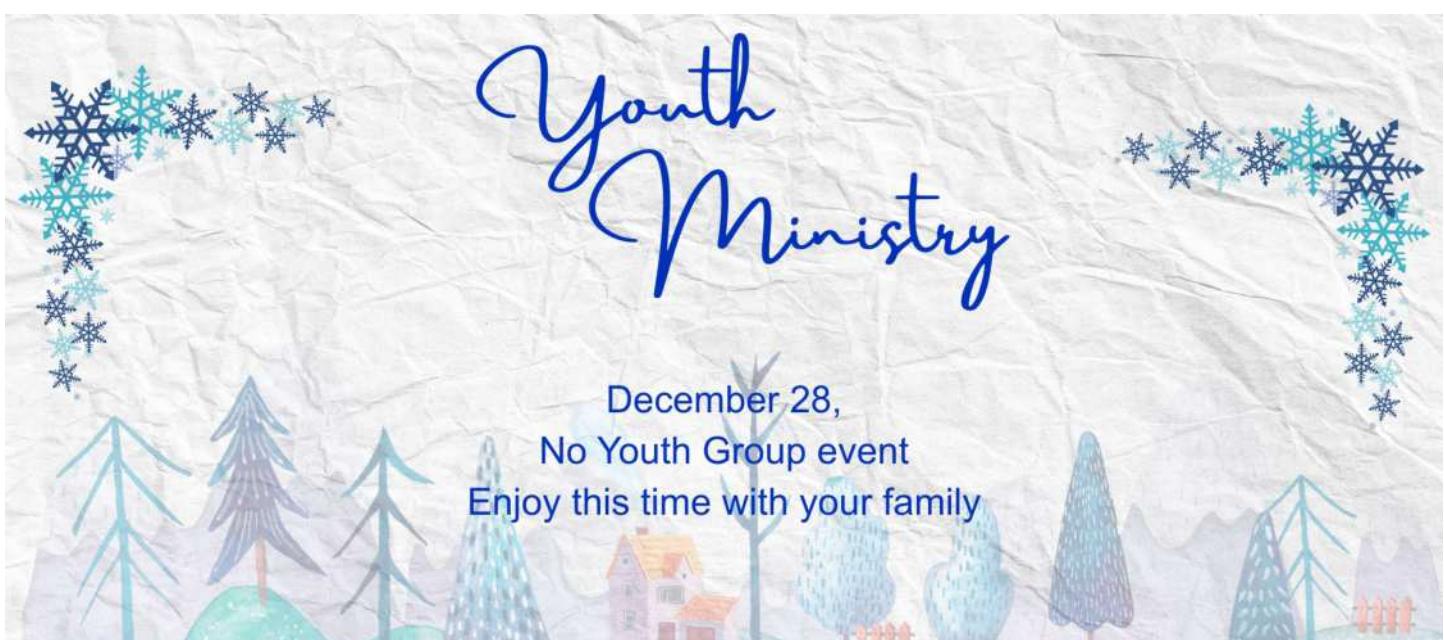

A new year is as good a reason as any to cultivate a new habit, and new spiritual practices can yield as much or more benefit than the mental and physical habits we more commonly associate with the new year. Here are some possibilities to consider if your family decides to engage renewal through resolution:

- **Make time to encounter Jesus.** Mass is important because it's where we meet Jesus in scripture, in each other, and in the Eucharist. If you're not in a regular weekly habit, pray about steps you can take in that direction. Also, make a habit of recognizing and calling out expressions of God's love you encounter *everywhere!*
 - **Serve:** Jesus was a servant, so we should be too! Small acts of service are powerful. Help out at home, make a craft for Grandma, call someone who needs a friend – *be love* in the name of Jesus!
- Prayer is powerful.** Payers are also as unique as each person's relationship to God, so there are plenty of ways to jump in if you're trying to awaken a more active prayer life. Try making the sign of the cross slowly and purposefully, emphasizing the names of the Father, Son, and Holy Spirit. Stretch out your hands to symbolize giving everything to God. Sing, dance, or just be quiet with God.

As with any change, set small, realistic goals, celebrate success before taking another step, and don't get discouraged if a new practice doesn't come easily at first.

And remember, growing our relationship with God isn't just for New Year's Day. Every day is a great day to strengthen our relationship with Jesus!

NURSES CORNER

December is Seasonal Affective Disorder Awareness month:

The weeks went quickly, with early bulletin submissions due. I apologize that "S A D" is being highlighted this late in the month. Information is in the vestibule about "winter blues" and ways to cope.

The ImpactLife Blood Drive is Thurs, Jan. 15th from 2 to 6PM in the parish hall. Many spots are available.

Thank you for considering this lifesaving gift as we look ahead to the new year! Schedule your appointment any of the following ways: online - www.bloodcenter.org, click on the blood drive link on our parish website, OR call me (314) 894-1373 x. 206 or coordinator, Kevin Brady (314) 697-6007. If you have not donated whole blood since Nov. 20th, it will be 56 days, and you may be eligible. We hope to see you there! A bowl of hot chili awaits you!

As we journey through the Christmas season, I remain inspired and in awe of parishioners' loving care of one another. The countless ways that you pray for one another and loved ones, offer help, and give of your time - often many, many hours- are such blessings in this wonderful parish family! God bless You All!

FOOD FOR THOUGHT

Pope Leo XIV's apostolic teaching, *Dilexi Te*, addresses the Church's role in affirming that love of God is one with love for the poor. He illuminates God as a liberator of the oppressed and denouncer of injustices that impoverish and exploit human beings, stating, "Our relationship with the Lord, expressed in worship, aims to free us from the risk of living our relationships according to a logic of calculation and self-interest. We are instead open to the gratuitousness that surrounds those who love one another and, therefore, share everything in common." Pope Leo urges us to take concrete action to promote the common good and to structure our society in a way that promotes thriving for all. Jesus Christ, as the incarnation of God's love, demonstrated a radically compassionate witness against empire, elitism, and exclusion. In following his example, we join in making God's love incarnate. Pope Leo explains, "By its very nature, Christian love is prophetic. A Church that sets no limits to love, that knows no enemies to fight but only men and women to love, is the Church that the world needs today."

"Meals"

The "Meals" ministry scope is expanding to include "Caregiver meals". Initially, this ministry was created to provide seven meals to a parishioner returning home from the hospital or rehab after an illness, injury or surgery. We are now going to expand that to provide meals to "in-home caregivers", once or twice weekly, for as long as the caregiver would like to have this additional help.

We are looking for volunteers who would be willing to provide a meal once a week, once every other week, once a month--whatever you would like to do. These meals can be homemade or purchased restaurant meals. Once we build a group of volunteers who would like to participate/provide meals, we will contact you about the scheduling. If you have questions, please contact: Susan Krieger at (314-578-5602) or Michele Venable at (314-894-1373 ex 206).

CONTEMPLATIVE CORNER

Every great move of God begins with a *fiat*, a “yes” to the presence and action of God in our lives. One way of understanding the difference between sin and sanctity is the simple difference between “no” and “yes” to God in the depth of the heart. Mary’s motherhood, and the great love story that blossomed from it, came about because Mary’s answer to God is always yes – or to say it in classical terms, she was sinless.

Because we too are sustained by the very Breath of God, we can reasonably expect that Mary’s deep, surrendered yes flows in our own veins as well. If “yes” to God often seems difficult, it is not because there is no part of us geared to “yes” – our lives are built on God’s yes whether we recognize it or not; YES is our deepest principle. However, ego, culture, our own expectations and those of others can bury our fundamental fiat under a heavy load of “no.” Contemplative practice, then, is a way of releasing all the clutter that lacks the courage, the commitment, the surrender, the love to say “yes”.

As we practice, we adapt Mary’s stance more and more, learning to say yes just for a moment. As we say yes to one moment, then the next, then the next, we rediscover the yes that is the core of our soul and become more and more a portal for Divine Love to manifest in the world.

Spiritual Adoption - 3rd Month

“I can hear you!”

The baby is quite active now. Even though its mother cannot feel her infant yet, the baby kicks and flips around in a secure, watery world. The eyes have closed so that the delicate eyeballs can finish developing. Its cartilage skeleton begins changing to real bone. The baby sucks its thumb, hiccups when amniotic fluid is swallowed, and its tiny fingers can close around an object. The baby's face is very expressive; he/she will squint, frown and smile. The fetus is now 3" long (the size of a lime) and can hear outside noises. His/her favorite sound is the sound of its mother's voice!

Please remember to pray for your spiritually adopted baby every day! *Jesus, Mary and Joseph, I love you very much. I beg you to protect the life of the unborn baby that I have spiritually adopted. Mary, our Mother in Heaven, pray for us and especially for your little ones!*

ONLINE GIVING

Help sustain our church regardless of the weather. We offer Online Giving as an additional option to strengthen our church's community and support our ongoing mission and ministries.

Online Giving helps support our church by allowing you to make donations, payments, and pledges via your mobile phone, smart device, or computer.

CHRISTMAS POINSETTIA MEMORIAL

In our Mary Mother tradition, we will be decorating our church and sanctuary with poinsettias. If you would like to honor your loved ones in a special way this Holy Season, please **fill out the bottom half of this form and return it along with your donation.**

Please make your check payable to Mary, Mother of the Church. Write "Christmas Memorial" on the memo line of the check. Place both the check and **this form** in an envelope marked "**Christmas Memorial**" and turn it into the parish office. You can put your envelope in the collection basket at Mass or you can mail it to us. If you put it in the basket, make sure it is in a marked envelope. You can also bring it into the office. If you wish, you can take home a poinsettia at the end of the Christmas Season.

A list will be inserted into the bulletin, at the end of this Holy Season, with the names all of those memorialized and the donors. Thank you.
