Thoughts from Fr. Tony

"We are called to a community of love: the Trinity."

Today we celebrate the Central Mystery of our Faith in the Most Holy Trinity!

Our God in three Divine persons! We pray, 'In the name of the Father and of the Son and of the Holy Spirit. Let us keep the mystery of the Trinity in our hearts not as a mathematical (one in three, three in one) puzzling mystery to resolve. Let us take it rather as a mystery of relationships and love.

The Trinity is a community of love of the Father and the Son and the Holy Spirit. The language spoken is only love and relationship. Therefore, our call is *"at the end of the day, it is all about relationships"*. We are created with that image of the Trinity – **"Relationships"**.

"Living our relationships is the very gift and miracle of Pentecost. Last Sunday our community celebrated the great Feast of Pentecost with our cry 'Welcome Home'... embracing each one with the feeling of 'belonging' with the gift of the Spirit and the heart of the 'Prodigal Father'...

Indeed, I am most grateful to **Msgr. Clem**, a great friend and mentor for his deep conviction and passion with his powerful and significant message of the 'Pentecost Miracle' --- *'the parish is alive!...everybody belongs...no one is an outsider nor a stepchild'...the need to be kind, patient and forgiving'*...Thank you Msgr. – you are 'The very Miracle of Pentecost.'

To all our parishioners, sponsors, parents and friends believing so much that *'at the end of the day it is all about relationships'*...our relationships with Him, the **'Word made Flesh'**... for all your love, care, generosity, and prayers as we celebrated the Miracle of Pentecost. I cannot thank you enough.

Our hearts stay with our young people particularly our newly confirmed last Tuesday through the gift of **Msgr. Tim Nichols**; our children who receive their First Eucharist today, Trinity Sunday at the 10:30am and 12:00nn.

Truly, I am dwarfed with the giant hearts of our Pentecost leaders this year, **Carol, Gabriela and Jasmin**, 'so consumed with fire' as they continue to *speak, sing and dance* the 'language of the Spirit with our community.

Of course, we continue to pray **to** and **for** our beloved **Bishop Dave** who has gone ahead of us to continue to cradle our community in the "language of the Spirit – love".

Let us all speak the language of the Holy Spirit, the 'language of love'...by listening to Him through one another.

I love you all!

Fr. Tony
