Welcome Home, Job!

When I came to St. Lorenzo church, right away I felt some kind of calling to serve in thanksgiving for the many blessings from the Lord. I found it to be a very vibrant parish, people were hospitable and welcoming, the liturgy was alive. I felt I was welcomed and part of the big family.

This was a blessing and consolation which I needed most as I go through my personal journey in faith and God. I had so much on my hands that I felt I could not handle anymore. I felt the support and encouragement from the community. The warmth and joy that I experienced kept me going and not give up. Thanks to the St. Lorenzo priests, lay ministers and the community. **Now it's my turn to do the same for others...** and so here I am in the vineyard of the lord, serving with joy, love and mercy outpouring from the grace of God.

The joy and peace of volunteering is immeasurable and beyond compare. From my heart I intensely invite you to volunteer and experience its great reward like finding the most precious pearl...the love and mercy of the Lord. **GUARANTEED!!!**
