**Pope Francis on Synodality** ...The voice that draws us to him, spring from him, this voice reveals to us that the heart of mission to reach out to everyone, to seek everyone, to welcome everyone, to involve everyone, without excluding anyone...

Let us pray for the Church that she may adopt listening and dialogue as a style of life at every level, allowing herself to be guided towards the world's peripheries.

Here in our community, let us continue to **'hang out with Jesus'...hang out with one another**...listening to one another for a better church family community. Let us go **'Zone-wise'** bringing out **One Family, One Parish**, the very spirit of Synodality.

Fr. Paul invited the children at the 10:30am Sunday Mass at the altar; children share their blessings by offering—red bags and our young families of the Rel Ed Program gathered after the mass for fellowship.
