Letter from the Pastor

We thank the Knights of Columbus for hosting our parish for their annual family day. It was great! The turnout was not as populated as usual understandably. People are still cautious. We are going ahead with our registration this week for CCD, basketball, RCIA, ESL and mentoring. Let the programs begin!

We are in the process of preparing ministry at Clark University. We began to incorporate our efforts into a young adult group. If anyone is interested in joining please let us know. St. Peter's School is off and running. We have already celebrated two masses. Our annual mission appeal will be held next weekend. The second collection will be for the ministry of the Xaverian Sisters.

This Saturday I have the opportunity to celebrate mass for the Xaverian Brothers Anniversaries at St. John's Prep in Danvers. The Xaverian Brothers who sponsor St. John's High School were very important and formative in the lives of many in our community.

The Gospel talks of the ministry of teaching and of receiving children in the name of Jesus. That has occurred in our Church for over a century in our country.

Along with teaching, community building and support our schools have shared wisdom with all of us.

The man and women religious and our present lay teachers and administrators have and are serving so well.

The fact that our schools were open this past year in spite of Covid is a tremendous reality.

So often our schools, our parishes and lives are by put to the test. But we affirm the teachings of the Book of Wisdom that God will take care of us.

In Christ,  
Monsignor Francis Scollen
