## Letter from the Pastor

As Spring arrives with light and flowers and warmth (?) So many yearly activities take place.

This weekend we celebrate first communion with our children and their families. We have over 40 children in our parish whom we celebrate with. We thank them and their families. We thank their teachers and all for their dedication.

We thank our deacons and their wives and Bill & Kathy McCullough and Amie for another uplifting pre cana this past Saturday. It was inspiring.

We thank our deacons for their ministry among us. They are so helpful and involved.

Happy Mothers Day to all of our Mothers and those who fulfill the Mother role. Have a great day.

How incongruous that we are fighting about abortion on Mothers Day. As all of our issues we can't sit down and try to figure it out.

We also witness again, as we have seen so often, the absence of the rule of law which is basic to any civilization.

We thank the Post Office for their annual food drive which helps our food pantry so much. Thanks.

In the first reading we see Paul and Barnabas travel everywhere together. The early Church headed Jesus' message to not go alone but go and live together.

This is always true but never so important as in our time where Christians are looked down upon and derided. We need one another.

The second reading talks of the multi-racial, multi-cultural membership of the Church which is so true in our parish.

As I look at our first communion kids I see how well that they get along. Why are people trying to turn people against one another, let life happen and things will change for the better.

We need to stop creating division and hostility what must be fueling someone's pockets.

We are a people from every nation, race, people and tongue. Who will survive this time of great destruction because of Jesus who will wipe away every tear from our eyes.

Jesus knows us and gives us life. We need to come to know Him as well.

*In Christ*
