Letter from the Pastor

Dear Family in Christ,

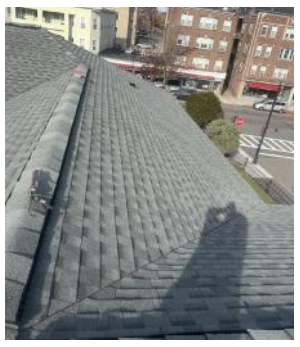
Throughout this month we continue to remember and pray in a special for the faithful departed, your families and friends.

Thank you for your generosity in every aspect of Church life! As you can see by the report on the left, we are financially healthy, which allows us to keep doing the ministry we have done for decades. But the financial support is not all… thank you for being so generous with your time! The amount of volunteers serving in the basketball league, health clinic, food pantry, ESL classes, helping with teaching the faith, cleaning, decorating, gardening, liturgical ministries and the list goes on and on. It is just AWESOME! Thank you for loving God and for loving your neighbor!!!

I also want to thank all the men and women who have served our country in the military.

Thank you for protecting our peace!

For those who love construction and behind the scene stuff, below you will see a few pictures of the work done to the roof on the rectory (since you will not be able to go up and inspect yourselves). On another site, the report from the company who did the ceiling of the Chapel says that they collected 1,800 pounds of loose chips. They thought it was going to be a smaller project.



Everything takes longer than planned, hence, we appreciate your patience!

In Christ,

Fr. José
