How to Build a Culture of Life

Read the full version at
respectlifeprogram.org/culture-of-life.

Watching the news and reading the headlines, we may feel helpless seeing the heartbreaking lack of respect for human life. *How do we respond?* Changing the culture is a process of conversion that begins in our own hearts. When we encounter Christ, experience His love, and deepen our relationship with Him, we become more aware of our own immeasurable worth and that of others. His unchanging love is the source of our God-given dignity, which, therefore, cannot be taken away. When someone is facing great trials, we need to walk with them on their journey, intercede for them, and be open to sharing Christ's love however He directs. We simply need to follow where He leads.

Our mission field is daily life.

Edificar una cultura de vida

Mirando las noticias y leyendo los titulares, podemos sentirnos impotentes al ver la desoladora falta de respeto por la vida humana. ¿Cómo respondemos? Cambiar la cultura es un proceso de conversión que comienza en nuestro propio corazón. Al encontrarnos con Cristo, sentir su amor y profundizar nuestra relación con él, somos más conscientes de nuestra propia incommensurable valía y la de los demás. Su amor inmutable es la fuente de nuestra dignidad dada por Dios, que, por lo tanto, no nos puede ser quitada. Cuando una persona está enfrentando grandes pruebas, tenemos que acompañarla en su camino, interceder por ella, y estar abiertos a compartir el amor de Cristo como él lo indique. Basta con ir por donde él nos conduce.

Nuestro campo misionero es la vida cotidiana.

An Adoption Love Story

Read the full version at
respectlifeprogram.org/adoption-love-story.

Having children and raising a family had always been our expectation. We soon learned, however, that our chances of becoming pregnant were small. It wasn't long before we started talking about the possibility of adoption. I wondered if my heart was big enough to love an adopted child as I would have loved a biological child. But with prayerful discernment, we decided to start the process. On Christmas Eve, Bill® and I left the hospital with Andrew. It didn't take long before there was no doubt in our minds that he was our son, the greatest gift from God! We can't imagine loving a child whom we conceived more than we love Andrew.

Relato de una adopción de amor

Lee la versión completa en
bit.ly/adopar-historia-amor.

Tener hijos y criar una familia siempre había sido nuestra expectativa. Pronto nos enteramos, sin embargo, de que nuestras posibilidades de tener hijos propios eran pequeñas. No pasó mucho hasta que comenzamos a hablar de la posibilidad de adoptar. Me pregunté si mi corazón era tan grande como para amar a un niño adoptado del mismo modo que amaría a mi hijo biológico. Pero, gracias al discernimiento que viene de la oración, decidimos comenzar el proceso. En Nochebuena, Bill® y yo salimos del hospital con Andrew. No llevó mucho tiempo antes de despejar toda duda de que era nuestro hijo, ¡el mayor regalo de Dios! No podemos imaginar amar a un niño que hayamos concebido más de lo que amamos a Andrew.
