Parish Mission Statement

Affirming our common baptismal call to holiness and discipleship, we at Saints Patrick & Raphael Parish strive to deepen our communion with Christ and His Church. By worshipping God through Word and sacrament, serving our community with God's healing compassion, giving freely what we have received, nurturing our children in faith, and respecting the dignity of all human life, we hope to be a sign of – and invite all people into – God's loving presence in the world.

PET BEREAVEMENT

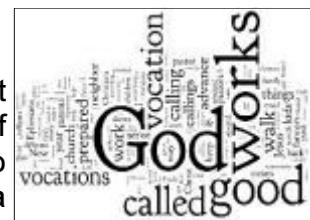

Bereavement refers to the sadness that one experiences because of the loss of someone through death. This strong feeling can also occur when someone loses a pet that they have loved dearly.

Fr. Dariusz and Richard Moreau at St. Elizabeth of Hungary Parish, North Adams, are looking into establishing a supportive ministry to address this need. If interested in such a group, reach out to the parish at 413.663.5316 or to Richard at 413.663.5764.

A VOCATION VIEW

Third Sunday in Ordinary Time

"You are the body of Christ and individually members of it." Are you being called to strengthen His body through a vocation to the priesthood, diaconate or the consecrated life? Call Fr. Jonathan Reardon at 413-248-7034, or vocations@diospringfield.org

Bishop writes about the world wide Synod and its impact on us in Western MA

My dear friends in Christ,

Imagine that you decided to walk to Mass and as you are walking you run into someone that you

see at Mass every week but really don't know all that well. As you make way together to church you begin to talk with this person, you tell your stories and you listen to their stories and before you know it things are different, you are friends! In turn it makes your engagement in the life of the church richer because now you have a new person to walk to church with and someone to say hello to.

My brothers and sisters that is essentially what a synod is and it is what our Holy Father is asking of Catholics around the world to engage in this year. Catholics everywhere are being asked to meet together on the way. Our destination is of course the eternal kingdom established by our Lord, the new heaven and the new earth, the new Jerusalem promised in the Book of Revelation.

The term "synod" comes from two Greek words "syn" meaning meeting and "hodos" meaning way. It is a meeting on the way.

Third Sunday in Ordinary Time

YEAR OF THE EUCHARIST

"What man could not utter nor conceive, and what he could never have dared to desire – that, God in his love has uttered, conceived, and executed. Should we ever have dared suggest to God that he should make his Son die for us, that he should give us his Flesh to eat and his Blood to drink? If all that were true, then man would have been able to imagine things that God could not do. He would have gone further than God in the inventions of love, [and] that is impossible." St. John Vianney, *Eucharistic Meditations: 1st Meditation*. For more information and videos check out www.yearoftheeucharist.net

THE CRUCIFIXION
1595, The Clark Institute

Through January, Clark is free for all visitors

Now's the time to visit the Clark's galleries and exhibitions! Don't miss the considerable amount of Catholic art. Try to trust the pull towards an art work. Spend some time with it. I find it helpful to remember that the artists created the work to help people pray. Let them call us to pray.

Advance registration is strongly recommended. Visit clarkart.edu to register and for details on current health and safety protocols.

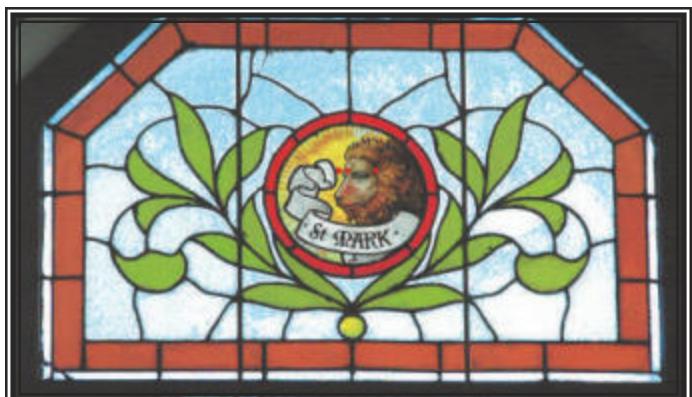

Church Reroofing Update

The main roof of synthetic slate tile is completed and inspected. Note the cross on the Southeast corner of the Church façade has been restored and replaced by Wooliver. Staging is down. Within the next two weeks anticipate the punch list completed: Gutter drops, repair of natural slate over the sacristy, and gutter around the sacristy end of the building.

Repair of the six clerestory windows, at first not thought necessary, is underway off site with plans for reinstallation the beautiful stained glass windows in the Spring.

I am grateful to the Buildings and Grounds Committee for their diligent work on this complex and necessary project as well as the workers operating during supply chain challenges and sometimes in very cold weather. They are a hearty group! I am also grateful for your patience with any necessary disruptions. Weekday Masses have resumed in the Parish church.

The Gospel of Mark surrounded by foliage (not geometric designs) - one of six beautiful clerestory windows being restored.

May the Lord build our house and watch over our community. Amen.
