

## Octubre

Fall has come and with it a little bit of cold (we already know this word in Spanish) weather.

Kdg: We will expand our vocabulary and keep practicing our colors , numbers and days of the week.

First grade: We will learn new positions and commands in Spanish. We will work with our calendar.

Second grade: We will learn how to write dates in Spanish, greetings and keep working on our colors, numbers, and positions. Introduction to adjectives and it's use with the first person (verb to be)

Third grade: We will talk about the weather, calendar, and Family. Verb to be and pronouns.

Fourth grade: We will introduce the verb to be first form, we will work with vocabulary

Fifth grade: We will work with the verb to be and will learn new vocabulary. We will talk about the calendar

Sixth grade: We will keep practicing our 2 forms of the verb to be and introducing a new verb. We will talk about the weather and family.

Seventh grade: We will write paragraphs using everything we have learned. We will work with the verbs we have learned so far. We will talk about the weather and family.

Eighth grade: We will work on our writing and listening skills We will work with the verbs we have learned so far. We will talk about weather, Family, and school.

We always introduce a little bit of science, math, art and music in our classes, and talk about cultural events and traditions.
