

3RD GRADE SEPTEMBER NEWSLETTER

SCRIPTURE FOR THE MONTH: PSALM 93:4 MIGHTIER THAN THE WAVES OF THE SEA IS HIS LOVE FOR YOU...

MATH

Finish Chapter 1: Number Sense Chapter 2: Addition within 1000

Although our textbook doesn't start talking about Multiplication until Chapter 4, we have already started learning and practicing some of our facts. As of now, the students have been introduced to the 0s, 1s, and 5s.

In addition to the practice work we complete in school, it is of the utmost importance to practice these facts at home as well.

Vocabulary to know: expanded form, number name, standard form, number line, interval, greater than >, less than <, equal to =, addend, sum, estimate, front-end estimation, regroup, rounding, bar model, Associative Property of Addition, Commutative Property of Addition, Identity Property of Addition

Religion

- Every week, we are learning and praying to a new saint of our faith.
- This month we will learn about: *Venerable Pierre Toussaint, Carlos Acutis, Saint Michael the Archangel, Saint Padre Pio*
 - If you have a favorite saint and would like for our class to learn about him/her, send me an email and I will add him/her to our list!
- How does God show us his love? How can we show we love God?
