WHAT ARE WE LEARNING?

Themes

- Turkey Talk
- Pilgrim's Journey
- I am Thankful
- Happy Thanksgiving!

Circle Time

Let's talk turkey! We will be learning all about their habits and habitats. We will also discuss the Pilgrim's boat, the Mayflower. We will pretend to take a long trip on a big ship! We will read stories about the first Thanksgiving, what we are thankful for, and Thanksgiving traditions. We will celebrate with a feast at the end of the month. Yum!

From the Teacher

October flew by in PreK! The students worked hard sharpening their skills in reading and math over the last month. They had so much fun celebrating Halloween by showing off their costumes in the parade. They also had a blast at their Halloween party! Thank you to all the families and volunteers who helped make the day so special!
