In May, I will be sending home with my students their own “Summer Activity Bag”. Inside their bag, you will find 23 various fun and educational activities with instructions and tips to practice with your child over the summer to reinforce the alphabet, number, color, and shape lessons that we have worked on this past school year. This is a great way and opportunity to help your child be prepared for next year!

On Friday, May 30, 2025, we will be having a “Colorful Fun Day” to celebrate our last day of school. I have planned some fun and awesome activities for my students that day. I’m asking my students to come to school dressed in very colorful clothes – be creative! I have asked Mrs. Posey to reach out to my Pre-K-3 families to ask for some parent helpers to come in at 10:00am to assist with snack and with running one of our games. This will be a special way to end what was a Great School Year!!! Arrival and Dismissal that day will be at our regular times.
