

# September

**Kindergarten.-** We are going to be learning about how to greet people in Spanish. We will be learning our colors, positions, numbers and celebrating independence days for different countries in Latin America.

**First grade.-** We are going to work on our greetings and ways to enter the classroom. We will talk about ways to be nice and polite. We will practice our colors, numbers and learn the days of the week and positions like up, down, etc.

**Second grade .-** We will be refreshing our forms to greet and ways to act in the Spanish classroom (ask your child about our 2 nice words). We will be working on colors, days of the week, and numbers.

**Third grade.-** We will practice our greetings , polite words and talk about kindness. We will add to the list of colors we know and the numbers we know, also we will remember the days of the week.

**Fourth grade.-** We will go through the days of the week and the months of the year. We will remember our vocabulary and learn new vocabulary. Numbers and rules of the classroom. Introduction of some verbs in first person.

**Fifth grade.-** We will review our days of the week, greetings, vocabulary, and the verb "to be". We will go through our numbers

**Sixth grade .,-** We will remember our vocabulary, numbers and introducing verbs, adjectives and pronouns.

**Seven grade.-** We will go through what we have learned last year and be adding verbs and vocabulary.

**Eighth grade.**- We will be talking science in Spanish and remember our Spanish from last year.
