

Todos son **Bienvenidos** aqui , todos **brillan** aqui

This is going to be our theme in our Spanish class this year.

Dear Parent and/or Guardians :

Welcome everyone. I am excited and honored to be the one welcoming your child to Spanish class this year.

Whether your child is starting this adventure of Spanish language, or will continue to build their skills, be assured the courses will be interactive, engaging and fun so they can have a wonderful experience and hopefully continue their Spanish courses once they finish middle school .

Through the year, your child will explore the language through speaking, listening, reading, and writing activities. We will talk about culture and traditions in different Spanish speaking countries, allowing them not only to develop their language skills but also their understanding and awareness of different countries and communities.

I am looking forward to working with every student and engrave in them the love of learning a new language.

Thank you for letting me be part of their knowledge adventure,

Sincerely

Grisel Campos

Bendiciones
