

What's the Good News?

Good News Preschool

September 2025

What a great crazy beginning to the school year! We have been enjoying getting to know one another this past week. Needless to say, we certainly have 2 very spirited classes this year! If you have not yet heard your child do the **"TEAM JESUS"** cheer, be sure to ask to hear it!

In a week or so we will begin learning about keeping our bodies - our precious gifts from God - healthy. Be sure to ask your child to sing the "Brush Your Teeth" song!

And next week we will begin sending home "Homework" for the Letter of the Week. Two children from each class will bring home an "alphabet bag" identifying the letter of the week. When your child brings home this bag, please take advantage of this opportunity to explore the letter as you fill the bag with items beginning with the appropriate sound. The MWF class will also bring home a simple worksheet for the letter of the week each Monday. Please encourage your child to spend some time on this sheet and return it at the next class so we see it and put a sticker on it. If there is frustration, don't push it. It is simply practice. There are many ways to engage your child in exploring letters, sounds, object names and small motor coordination. Do what works best for your child.

As your child shows interest in writing his/her name, please be sure to encourage **upper case letter for the first letter only** and then lower case for the remaining letters.

The take home books have begun to make their way through the classes. If you haven't had the take home book sent home yet, it will be coming soon! Please be sure to bring the book in its folder back to school on the next class day. Thank you!

The fall evaluations will be conducted sometime over the next month. We will also be observing and making anecdotal notations throughout the year to help us determine the best way to work with your child. If you have any questions or concerns in the meantime, please don't hesitate to talk with us.

Dismissal

At pick-up time, please be sure to line up in your vehicles single file and **not** be parked in a parking spot. Once everyone is buckled in, please pull up to the parking area close to the dumpster and turn around there.

Thank you!
