# STEWARDSHIP

WE ARE ALL STEWARDS OF OUR TIME, TALENTS, & TREASURE

## A STEWARDSHIP MOMENT FOR THE FEAST OF THE HOLY FAMILY

At first glance, we can often find the image of the Blessed Mother, St. Joseph and the Christ Child intimidating — who are we to aspire to that level of discipleship? How could we ever hope to conform ourselves to that mold? Sometimes, it can even be painful — perhaps we hail from a broken family or struggle with a broken relationship within our family, or perhaps we long to be a mother or a father ourselves and that state in life has eluded us. But the image of the Holy Family is, in reality, a beautiful invitation to us all, no matter our vocation or our state in life, and the example of Mary, Joseph and Jesus is rich with the symbolism of stewardship. You need not be a biological mother who has carried a child in her womb to be a mother in spirit. Who in your world needs you to love them with the heart of a mother? The same goes for fatherhood. The Church and the world are crying out for the courageous witness of Christian men like St. Joseph. Who can you love with the steadfast, selfless protection of a father? Who in your life needs you to love them with the faithful, unconditional love of a son? Who needs your gentle and constant love as a daughter? We are the Body of Christ, friends. Those of us rejoicing in heaven, those of us suffering in purgatory, and those of us struggling here on earth. We are the great family. Let us love each other well.

## CHRISTMAS

### HOW LONG IS CHRISTMAS?

While retail stores may be discounting Christmas decorations and putting up Valentine's Day displays by December 26, Catholics and many other Christian denominations are just getting started on their Christmas celebrations. Just how long is the Christmas season? Well, it depends on what you mean by "Christmas season." **The Church marks the end of the Christmas season on the Feast of the Baptism of the Lord (January 9th this year).** During the Octave of Christmas (Dec. 26-January 1) all the readings and prayers during the celebration of Mass are related to the birth of Christ. And traditionally, the twelve days of Christmas begin on December 26 and end on January 6, the traditional date of Epiphany. Since 1970, Roman Catholics have celebrated Epiphany on the first Sunday after the Octave of Christmas.

## GOSPEL REFLECTION

It was the best of times and it was the worst of times. Our families can bring out the best and the worst in us. This is true of our families of origin, the current family of which we are a part, the family of our church, our society, and the like. In all of our family experiences, what stands out as our most challenging memory? Everything human can be found on the pages of family life. But there is also a Divine story to be discovered as well. When life gets difficult and perplexing, today's Feast of the Holy Family stands to remind us that it is not just by human effort that we tread treacherous waters. We have to remember and learn from the Divine effort, too. We need this perspective if our love lessons are going to be learned completely and well. We are all works in progress and we all come from homes that are broken by imperfection. In whatever life brings us and in whatever family we find ourselves, may the promptings we feel toward faith and hope lead us to a greater love.
