WE ARE ALL STEWARDS OF OUR TIME, TALENTS, & TREASURE

## A STEWARDSHIP MOMENT FOR SECOND SUNDAY OF EASTER

Due to the constant unchecked flow of data and information through the Internet, it can be hard to know when a story is real news or rubbish. It never ceases to amaze me when someone I know has bought into some crazy fake news story. Sometimes the story is just so unbelievable: celebrities who gained two hundred pounds in a month, women having babies who were never pregnant, or people actually being seen who are dead! Like Elvis!

The apostle Thomas found the news that Jesus was alive just too far-fetched to believe. But he didn't first hear the news on the Internet or read it standing in the grocery store checkout line. His friends told him. His fellow apostles told him they had actually seen the Lord with their own eyes. Their testimony was not enough. He needed proof.

The resurrection of Jesus gives us not only hope, but also a reason to be his disciples. We have not seen with our own eyes but, like Thomas, we have a community, the Church, that has relayed the truth to us. This same Jesus now calls us to go forth to spread the Gospel. More unbelievable than that, we have, through the gifts we have been given, a chance to change and even save lives. The day may come that you, moved by this news of the risen Lord, will be an agent of his love to the point where someone will tell the tale that you, a follower of Jesus, actually helped to change his or her life. Pretty unbelievable, right?

Tracy Earl Welliver, MTS

## GOSPEL REFLECTION

A young, engaged couple sat on the couch in front of me as we chatted about their upcoming marriage. The young lady was struggling to trust her future husband. She told me her father had been unfaithful to her mother. She said of her fiancé, "I want him to prove to me that he won't cheat on me." The young man looked at me helplessly, raised his eyebrows and shrugged his shoulders. What evidence could he possibly give to validate such a proof? Nothing. All he could do was invite her to trust him. We all are wounded by experiences of imperfect love. We also are tempted to demand from God proof of His fidelity and goodness. We are like St. Thomas the Apostle who, on that second Sunday of Easter, demands proof of the Lord's resurrection. **"Unless I see the mark of the nail ... I will not believe."** Our science, technology and mathematics can indeed prove a great deal. But there are some things that require trusting another person. We prove promises of love only by trusting. St. Thomas indeed saw the wounds of Jesus and believed. But there is an even greater blessing for us who simply trust Him — and all the truths the Church proclaims — because of the trustworthiness of the Risen One who speaks. This week let's trust Jesus without seeing him.
