Pick of the Week:

LISTEN:
[The Confessions of St. Augustine](#)

Actor Leonardo Defilippis captures the poetry and passion of Saint Augustine of Hippo (AD 354-430) in a performance that is accessible and deeply moving. The play is astonishingly relevant for our own times. Augustine struggled with promiscuity, fathered a child out-of-wedlock and dabbled in a “new age” style cult. You’ll be amazed by his relentless pursuit of Truth and encouraged by the prayerful perseverance of his faithful mother, Saint Monica.

LEARN:
[The Feast of Saint Monica](#)
Throughout her life, St. Monica constantly prayed for the conversion of Augustine, her beloved son. In a moment of desperation, she even asked for the bishop's help. In response, he said, "the son of those tears surely will not perish." Truly, as this bishop remarked, Monica's tearful prayers helped build her son into the Doctor of Grace. In this video, join Dr. Gray and Dr. Sehorn as they discuss more about this great Saint.
