A Great And Glorious God

Our readings today ponder two powerful truths: God is infinitely greater than we are; and God provides every kind of help so we can discover and share in God's glory. The reading from Wisdom reminds us that we are tiny compared to "the Lord of the whole universe." Nevertheless, God preserves and nurtures us out of perfect love. If we feel tiny, weak, and sinful compared to God, we are blessed! God's greatness sustains and strengthens us. Saint Paul encourages the Thessalonian Christians with the same message. He reminds them that God alone makes the Church holy. He prays that everything they undertake will be for the glory of God. Luke's Gospel shows us what this looks like in real life: Zacchaeus, feeling small and excluded, looks for Jesus. Jesus finds him and gives him the strength he needs to repent of his sins and glorify God. *Copyright © J. S. Paluch Co.*

Treasures From Our Tradition

Every week, some treasures from our tradition are shared here. Where does all this history come from? The history of God's people of prayer is always coming to light, mostly because scholars have dedicated their lives to research. They translate and ponder prayers and songs; explore the places used for worship; look at the vessels, books, and vestments; and read works from legal documents to letters and diaries. In the 1930s, Hitler's rush to arm Germany closed seminaries as priests and seminarians alike were drafted into service.

One professor, Father Josef Jungman, forced from his classroom, spent the war years in an Austrian library. His careful work disclosed much of what we know of the history of the Mass. His great work, *The Mass of the Roman Rite*, describes the evolution of Eucharistic celebration and inspired generations of scholars to explore a tradition surprisingly rich and varied. It was said of him that he had a command of the past that cast new light on the present, and opened up a clear direction to the future. His contributions to the Second Vatican Council helped shape the way that we worship today. At the end of his life, in 1975, his studies completed, he told a friend that he was waiting patiently for the Lord's knock at the door to take him to the heavenly banquet.

Sacraments, Liturgy and Prayer

Tough Love

The first reading tells us that the God of all the universe is a merciful God who loves all creatures, not just enough to keep them in existence, but enough to give sinners the chance to repent. God, who made all things, has the right to punish our transgressions. Instead, God gives us warnings and reminders to lead us to repentance.

Warnings are found in God's word, in the scriptures, and in Jesus. Besides the Ten Commandments, we also have the books of the law, which can be warnings that even the smallest of sins need to be repented. White lies, for example, are usually told to keep from hurting someone's feelings. When we get used to telling white lies, however, we can be inclined to tell other lies, such as those told to protect ourselves. Those lies not only make it harder for people to trust us, they also keep us from facing our faults and taking responsibility for our actions.

Jesus also warns us about sin, both in his teaching and when he forgives sinners. In today's Gospel Jesus has dinner with the tax collector, who demonstrates his repentance by offering to repay those he has extorted. Jesus tells Zachaeus and the bystanders that he came to save the lost. But part of being saved is the intention not to get lost again.

And what about "reminders"—the results of sin that usually catch up with us? The sin of arrogance can lead a driver to think he can ignore the speed limit. But when he has to pay a speeding ticket, that is the reminder that his arrogance, not the speeding, was a sin. If we ignore those reminders, we may suffer eternal consequences. If we think of the results of sin as God's "tough love," perhaps they will remind us to sin no more.

Financial Stewardship and RAS Status

Why should I give to the Church?

Only with the sacrificial offering of all our members, can we ensure that Our Lady of the Lake remains a vibrant, active faith community. With your offering you can ensure that we are able to meet our financial obligations to maintain our ministries, programs and facilities, pay a just wage to our parish staff, support the needs of the larger Church and assist our brothers and sisters in need.

What is RAS?

RAS stands for Registered, Active and Supporting member of the parish. When registering for the school or for PSR classes, each family is asked to be a Registered, Active and Supporting member of the parish. Our Lady of the Lake has set a minimum financial amount of \$450 per family, per calendar year to be considered an RAS member. Those who do not meet these requirements are asked to pay an additional fee.

How do I find out my RAS status?

Please call or email the Finance Coordinator, Cheryl Emmons at 626-5671, ext. 101 or cheryl@ollparish.info. Please leave your name and mailing address for verification purposes.

How can I fulfill my RAS minimum amount for 2019?

Make contributions weekly, monthly or one time prior to the end of 2019 to total \$450. When giving cash, please use envelopes with donor identification for proper accounting. Contributions can be made online by credit card or direct debit through Online Giving. Go to our website at www.ollparish.info and click on the link. Set up the account and make a "Weekly Offering". Once you choose this option, you can further decide to make your payment monthly, weekly or one time. Be aware that credit transactions take 2-3 days to process.
