The Fourth Sunday of Easter is also called Good Shepherd Sunday. The image of Jesus as Good Shepherd and the community of followers as His sheep has endured over the centuries as a primary image in our faith tradition. Its power to describe the relationship between Jesus and His followers transcends direct experience with sheep. The image speaks to us about the protection, security,

and care that shepherds represent for their sheep.

Today's Gospel speaks powerfully about the familiarity and intimacy between Jesus and His disciples, expressed as recognizing and knowing another's voice. Today's Gospel also speaks to the relationship between Jesus and the Father. In the Gospel of John, Jesus identifies so closely with the Father that He tells us that they are one – not just close, but actually one. To know Jesus is to know the Father. Jesus doesn't just bring us closer to the Father, Jesus puts us directly into contact with God the Father, removing all distance between us. Our relationship with Jesus is an invitation to share in the life of God.

All-powerful and ever-living God, when Abraham left his native land and departed from his people You kept him safe through all his journeys. Protect these soldiers. Be their constant companion and their strength in battle, their refuge in every adversity. Guide them, O Lord, that they may return home in safety. We ask this through Christ our Lord. Amen

Jubilee Year 2025 Pilgrims of Hope prayer cards are available in the back of both churches.

Use of the parish halls must be approved/registered through the parish office.

May
Month of Our Lady

In addition to the myriad feast days honoring Our Lady under her many titles and virtues, the entire month of May is especially given to her praise. In the words of Pope Paul VI, May is "a month which the piety of the faithful has long dedicated to Mary, the Mother of God ... For this is the month during which Christians, in their churches and their homes, offer the Virgin Mother more fervent and loving acts of homage and veneration; and it is the month in which a greater abundance of God's merciful gifts comes down to us from our Mother's throne."

*Mary, Queen of Peace, save us all, who have so much trust in you, from wars, hatred, and oppression. Make us all learn to live in peace.
 Amen*

Daily Catholic Wisdom

God waits for us to let Him in. He is waiting for us now, at this very moment. When we let Him in, He will embrace us with love and draw us closer to Himself.

DAY OF HOPE FOR HEALING AFTER ABORTION – God has a unique and beautiful plan of healing for you. Abortion can leave many to suffer with deep guilt, shame, pain, anxiety, depression, fear, and feelings of isolation from God and others, sometimes for many years. Whether you yourself have had an abortion or have been involved in any way in facilitating an abortion, this day is for you. Led by women who have experienced both the suffering of abortion and the joy of healing in Christ, we invite you to feel the peace and healing that comes when you can share your burdens with another. This will be a safe, confidential, and non-judgmental environment that can allow you to enter Jesus' healing embrace through testimonies, group sharing, personal prayer, an opportunity for Confession or spiritual direction, and Mass. Come to our Day of Hope for Healing on Saturday, 5/31, 10:00 am-3:00 pm in Newark, OH. Confidentially call/text 740-527-0730 for details or to sign up.
