Pope's Prayer Intentions for March: For the new martyrs: We pray that those who risk their lives for the gospel in various parts of the world inflame the Church with their courage and missionary enthusiasm.

What can do I for Lent to improve my faith?

- When you first sit down in front of your computer at work, or at the very end of your workday, try a 10-minute guided prayer from Sacred Space <https://sacredspace.com/> based on the spiritual exercises of St. Ignatius.

- Meditate with the Stations of the Cross. We offer these during Lent and on Fridays. Or check out Busted Halo's Virtual Stations of the Cross.

Gospel Reflection: John 3:14-21

Jesus tells Nicodemus that the Son of Man will be raised up so that those who believe in him will have eternal life.

The fourth Sunday of Lent is sometimes called Laetare Sunday. Laetare is a Latin word that means "rejoice." Traditionally, Sundays are named after the first word of the liturgy's opening antiphon. On this Sunday, the antiphon is taken from the book of the prophet Isaiah (Isaiah 66:10-11). Even as we observe our Lenten sacrifices, we rejoice in anticipation of the joy that will be ours at Easter.

Today's Gospel reading is taken from John's Gospel. It consists of two parts. The first part is the final sentence of Jesus' reply to Nicodemus, the Pharisee who approached Jesus at night. Nicodemus acknowledged Jesus as someone who had come from God and seemed to want to be a follower of Jesus. Jesus greeted Nicodemus with the observation that one must be born from above to see the Kingdom of God. The dialogue between Jesus and Nicodemus that followed was about the meaning of this phrase. Nicodemus misunderstood Jesus at every point, but there was no animosity in the questions he posed to Jesus.

In the part of the conversation with Nicodemus in today's Gospel, Jesus referred to an incident reported in the Old Testament. When the Israelites grumbled against the Lord during their sojourn in the desert, God sent venomous serpents to punish them for their complaints. The Israelites repented and asked Moses to pray for them. The Lord heard Moses' prayer and instructed him to make a bronze serpent and mount it on a pole. All who had been bitten by a serpent and then looked upon the bronze serpent were cured. By recalling this story, Jesus alludes to the salvation that would be accomplished through his death and Resurrection.

The second part of today's Gospel is a theological reflection on Jesus' words to Nicodemus. The Gospel of John is known for this kind of reflection offered within the narrative. The words of the Evangelist are in continuity with the words of the prologue to John's Gospel. In these reflections, John elaborates on a number of themes that are found in his Gospel: light and darkness, belief and unbelief, good and evil, salvation and condemnation.

In John's reflection, we find an observation about human sinfulness. Jesus is the light that has come into the world, but people preferred the darkness. We wish to keep our sins hidden, even from God. Jesus has come into the world to reveal our sins so that they may be forgiven. This is the Good News; it is the reason for our rejoicing in this season of Lent and throughout our lives. **From Loyolapress.com*

Development and Peace — Caritas Canada: Training next-generation farmers in Indonesia

In rural Indonesia, young people are abandoning agriculture to work in cities. Over time, this could threaten food sovereignty. Our partner PAYOPAYO empowers village communities to work together to find solutions to common challenges related to agriculture, food, energy, natural resource management and the engagement of youths, especially women.

This Lent, meet our solidarity visitor Karo Batiran, the executive director of PAYOPAYO. Learn more at devp.org/lent.

10 March 2024

To: The Faithful of the Diocese of London

Dear sisters and brothers in Christ,

The season of Lent is an opportunity to deepen our relationship with Christ and to grow in our love of God and neighbour. Through simple acts of love, we discover that our hearts are opened to universal communion, a sense of fraternity that excludes nothing and no one (Laudato Si' 92).

It is in the spirit of fraternity and solidarity that Development and Peace — Caritas Canada, with the support of the Canadian Conference of Catholic Bishops, works with partner organizations and communities in the Global South. The campaign this Lent, Create Hope - Reaping our Rights, invites us to create bridges of solidarity with small-scale farmers and peasant communities around the world.

The campaign introduces us to the many challenges faced by small-scale farmers and peasant communities and makes us more aware of the need to acknowledge, enshrine and safeguard peasant peoples' rights. We are all interconnected and have a duty to ensure that peasants' rights, human rights and environmental rights are fully respected, not only in Canada but everywhere in the world.

I ask you to join the Create Hope – Reaping our Rights campaign wholeheartedly through its Lenten and fall phases by:

- participating in the education and action campaign which calls Canadians to do more for small-scale farmers and peasants around the world;
- standing in solidarity with our sisters and brothers in the Global South who are impoverished by unjust socio-economic and political systems;
- giving generously to Share Lent, especially on Solidarity Sunday, the 5th Sunday of Lent, March 17, 2024 (<https://devp.org/en/> or <https://devp.org/fr/>).

May God bless our Lenten journey and strengthen us to be true disciples of Jesus, bearers of the Good News. Through our practices of prayer, fasting and almsgiving, and our solidarity with our sisters and brothers in need, may the Holy Spirit lead us to the hope and joy that can be found only in the Easter miracle.

Sincerely yours in Christ,
Most Rev. Ronald P. Fabbro, CSB
