Some Friendly Reminders: Remember to call or email someone to replace you if you cannot keep your scheduled Mass time and day. **Please let Christine know if you switch with someone. This way we will know who we are expecting to be there.**

Please arrive at least 10 minutes before your scheduled Mass time. You may put the gold cross on, if you wish. It is found in the usher's room. Then you may go to your pew. Come to Mass prepared. Dress for your ministry.

****Please approach the sanctuary area at the exchange of peace.**** You will be in your position **before** the Lamb of God begins.

You do NOT need to wear a mask when you distribute Communion.

If someone receives on the tongue you MAY sanitize your hands before distributing to the next person.

At this time we do not anticipate distributing the Precious Blood.

Thank you for your commitment to your ministry. We truly appreciate you.
