Saints of the Week

By tradition Joachim (sometimes spelled "Joaquin," pronounced "wal-keem") and Anne are considered to be the names of the parents of Mary, the Mother of God. We have no historical evidence, however, of any elements of their lives, including their names. Any stories about Mary's father and mother come to us through legend

and tradition.

We get the oldest story from a document called the Gospel of James, though in no way should this document be trusted to be factual, historical, or the Word of God. The legend told in this document says that after years of childlessness, an angel appeared to tell Anne and Joachim that they would have a child. Anne promised to dedicate this child to God (much the way that Samuel was dedicated by his mother Hannah -- Anne -- in 1 Kings).

For those who wonder what we can learn from people we know nothing about and how we can honor them, we must focus on why they are honored by the church. Whatever their names or the facts of their lives, the truth is that it was the parents of Mary who nurtured Mary, taught her, brought her up to be a worthy Mother of God. It was their teaching that led her to respond to God's request with faith, "Let it be done to me as you will." It was their example of parenting that Mary must have followed as she brought up her own son, Jesus. It was their faith that laid the foundation of courage and strength that allowed her to stand by the cross as her son was crucified and still believe. Joachim and Anne serve as role models for parents and both deserve to be honored and emulated for their devotion to God and Our Lady Mary, the Mother of God.

INCLUSION MINISTRY: The most effective way to prevent hearing loss is to reduce your exposure to excessive noise: When using headphones, be aware that if someone is standing next to you, they can hear the music from your headphones then volume is too loud. Don't use headphones to drown out other noise. Take frequent breaks to give your ears a rest.

Blessed are you who never bid me to "Hurry up", or take my tasks from me and do them for me, for I often need time rather than help.

DONATE A BIKE IN AUGUST

Have an old bike sitting in your garage that you never ride anymore? Your used bicycles can make a big difference in the lives of Indy's homeless community. Started in 2011, our Bicycles for the Homeless Ministry has given out over 1,700 bicycles. Our homeless neighbors need transportation to get to jobs, medical appointments, social service agencies, etc. We can accept just about any used bicycle as long as it is in ride-able condition - we have volunteers that can make minor repairs. Along with the bikes, we give accessories if they are available through donations:

- ❖ a backpack
- ❖ helmet and lock
- ❖ and all bikes are equipped with lights and reflectors.

When possible, we like to include useful items in the backpacks. We observe the recipient riding the bike to ensure ability to safely ride it.

You can drop off your bikes, helmets, locks and backpacks at the SVdP Distribution Center, 1201 E. Maryland Street. Should you have five or more bikes to donate, call Jeff Blackwell, 317-924-5769 ext. 320 to make arrangements for a pick up during the week.

Help us give your bike a second life with an individual who deserves a second chance.

"We should strive to keep our hearts open
to the sufferings and wretchedness of other people,
and pray continually that God may grant us
that spirit of compassion which is truly
the spirit of God."
