### MINISTRY FOR MATURING ADULTS

My grandfather took me to the fish pond on the farm when I was about seven. He told me to throw a stone into the water.

He told me to watch the circles created by the stone. We watched the circles grow and touch all of the pond and the banks of the pond.

My grandfather then asked me to think of myself as that stone-person.

"You may create a lot of splashes in your life, but the waves from those splashes will disturb the peace of all your fellow creatures," he said.

#### A Cherokee Teaching Story

If you are registered at St. Mark the Evangelist and are 75 years of age and older, you should have received a package delivered by a MMA volunteer. That packet contained writings, a book, and more. If you DID NOT receive that package, please contact Steve Helmich at [stevehelmich50@gmail.com](mailto:stevehelmich50@gmail.com) or 317-903-9657 (cell/text).

MMA would like to send out a special "thank you!" to St. Mark parishioner and volunteer extraordinaire Patty Schmalz. Patty has used her sewing skills to make face masks. Her mask was made available to our Elders when the "care packages" were delivered and we are working on the plan to make masks available to all maturing adults as we begin to return for mass. Thanks, Patty!

The BURDEN of nostalgia is that it takes us out of the present and immobilizes us in the past.

The BLESSING of nostalgia is that it can serve to remind us that just as we survived all of life before this, grew from it, laughed through it, learned from it as well, we can also live through this age with the same grace, the same insights - and this time, share that audacious spirit with others.

## PRAYER FOR THE HOLY SPIRIT

Holy Spirit, fan into flame the gifts I received in my Baptism and Confirmation. I want to receive the fire of Your love as Your disciples did at Pentecost. Come with wonder and awe, with wisdom, understanding, and counsel, with courage and faith in You. Holy Spirit, may my actions witness to Your presence in my life. Help me to see the ways my strengths can serve others in their weakness. In all my interactions, I want to radiate love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control. Breathe new life into the world through me.

Amen.
