

## 5<sup>TH</sup> SUNDAY IN ORDINARY TIME

When it was evening, after sunset, they brought to him all who were ill or possessed by demons. The whole town was gathered at the door. He cured many who were sick with various diseases, and he drove out many demons, not permitting them to speak because they knew him. - Mk 1:32-34

**Fr. Tim's Pastors Corner**

Hello Everyone,

This week I am excited to be able to share some “Good News” with you! We at St. Mark have a special connection to good news, since Mark was the first to use the Greek word “euangelion” which means “good news” to describe his written record of the life of Christ (this was translated from the old English word “gospel,” which also means good news, and it developed into the modern word “Gospel”).

First, it is obvious that this past year, 2020, was a very difficult one for our world. The pandemic forced us apart, threatened our health, and cost many people their lives. It is no surprise that this had an economic impact as well. With businesses shut down, jobs lost, and the market thrown into uncertainty, many parishes suffered great losses in collections from what was budgeted. However, we here at St. Mark have done remarkably well in the midst of the pandemic. From the start of the pandemic to the end of the fiscal year 2020 (which for us is July) we were less than 1% below budget in Sunday collections. From July of 2020 through December, the end of the calendar year, we are about 1.6% below budget. Compared to so many parishes, which are seeing losses of 10%, 15%, and sometimes even 20% from what they budgeted, St. Mark is maintaining our financial health almost miraculously well!

While the finances are very important in maintaining the operations of a parish, they are not as important as the parish’s spiritual health and vibrancy. In this area too, we are doing incredibly well! Since the pandemic started, the parish has registered almost 50 new families. Our Baptisms, Confirmations, and First Communions have been hurdling forward at very

healthy rates (in the last year alone we have done approximately 60 Baptisms, 47 First Communions, and will have 50 Confirmations this spring). Our Mass attendance is holding steady even with the Church at 50% capacity, and we are seeing a great number of people watching the Mass virtually until they feel safe to return (around 50-60 views for daily Masses, and 800-1000 views for the Sunday Masses). Our school has also continued to grow and do remarkably well during the pandemic. Since the shutdown began last spring, we have registered 35 new families in the school, with a current enrollment of 450. Next school year, starting in August, our school is projected to have an enrollment of 470 students, and is fast approaching the 500 student cap limit for pre-K through 8th grade! Finally, our many parish ministries, from MMA, to Young Adult, to St. Vincent de Paul and Food Pantry, Sunday Religious Education, RCIA, and the other various ministries are staying vibrant and finding creative ways to function both in person and virtually.

As I said, this is all good news! In fact, it is incredibly good news. Why is the parish doing so well in every measurable metric? And why are we still so spiritually vibrant? The answer to that is you, the parishioners. When the crisis began, we were already in a good place. And you have maintained that! During these difficult times, you have continued to support the parish, sometimes even more so than before, and you have stayed engaged in the ministries. Word of this good news here at St. Mark continues to spread to the entire Southside, and from that, we are seeing the constant growth of new members and new students. Thank you to all of our parishioners, both old and new. And thank God for continuing to bless our parish in so many ways!

## ASH WEDNESDAY

**Ash Wednesday is February 17th**  
**Mass times will be**  
**6:30 AM, 8:15 AM and 7:00 PM**

The 8:15 AM and 7:00 PM will be live  
streamed on YouTube.

The COVID precautions given to parishes by the Archdiocese of Indianapolis include that Ashes will be sprinkled on the top of people's heads instead of the sign of the cross on the forehead.

Sprinkling ashes on the top of people's heads, rather than marking foreheads with ashes, is the customary practice at the Vatican and in Italy. Given the spread of the coronavirus, the practice has the advantage of not requiring the priest and ministers to touch multiple people.

AMEN

  - Snail Mail Ministry...handwritten cards of encouragement
  - Spiritual Autobiography Journey Ministry...materials and support to begin writing your spiritual journal

The doubts of youth lie far behind me, and the anxieties that plagued me for so long are gone.

The regrets of yesterday and fears for tomorrow have vanished, replaced by the simple pleasure of today.

Thank God for the day at hand, for things as they are, for this season of life...for in this age I have found peace and heart-deep comfort in You. AMEN
