Father Michael offers the following quotes to help in everyday life.

'It's better to light a candle than curse the darkness''

Stay positive. The world isn't going to get better by being negative about it.

I am in charge of how I feel and today I am choosing happiness.

Never let a bad situation bring out the worst in you. Be strong and choose to be positive

I choose love, joy and happiness today. Life is too short to dwell on negativity.

The way Jesus shows you is not easy. Rather it is like a path winding up a mountain. Do not lose heart! The steeper the road, the faster it rises towards ever wider horizons.

Saint John Paul II

SAINT OF THE WEEK VENERABLE CARLO ACUTIS

Carlo Acutis was born in London on May 3, 1991 to Andrea Acutis and Antonia Salzano.

His parents worked in London though settled in Milan not long after their son's birth in September 1991

From the day he received his First Communion at the age of 7, he never missed a daily Holy

Mass. He always tried, either before or after the Mass to pause before the Tabernacle to adore the Lord, always truly present in the Blessed Sacrament. Our Lady was his confidant and he never failed to honor her by reciting the Holy Rosary every day.

To quote Carlo's own words: "Our goal must be the infinite and not the finite. The Infinity is our homeland. We are always expected in Heaven". Another phrase of his was: "All people are born as originals but many die as photocopies". To move towards this goal and not "die as photocopies" Carlo said that our compass must be the Word of God, that we have to measure up to constantly. But to reach such a lofty goal very special measures are necessary: the Sacraments and prayer. In particular, Carlo placed the Sacrament of the Eucharist at the centre of his life and he called it "my highway to Heaven".

Carlo was very gifted with everything related to the world of computers so that both his friends and adults with computer engineering degrees considered him a genius. Everyone was amazed at his ability to understand the secrets of computers that are normally only accessible to those who have specialized university degrees. Carlo's interests involved computer programming, film editing, website creation, editing and laying out small publications, to help those most in need especially children and the elderly.

Carlo contracted a rare form of Leukemia M3 fulminant leukemia (a malignant subtype of acute myeloid leukaemia). The doctor treating him asked him if he was suffering much pain and he responded that "there are people who suffer much more than me" He passed away on October 12, 2006.

To be always united with Jesus, this is my plan of life". "I am happy to die because I lived my life without wasting even a minute of it on anything unpleasing to God". Carlo asks of us the same thing: he asks us to spread the Gospel through our lives, so that each of us can be a beacon to light the journey of others. Carlo was buried in Assisi in accordance with his wishes.

Venerable Carlo Acutis is scheduled to be beatified on October 10, 2020 in Assisi, Italy.
