## PASTOR'S CORNER

### Enhancements to our Worship Space

I am so thankful to you, the parishioners, for your generosity with which you have continued to support our parish during these trying times of the pandemic. We are all hoping that we will be able to return to normal worship as soon as the dangers of infection have been alleviated. In the meantime, we continue to make monthly payments on our low-interest debt incurred by the construction of the parish social hall and look forward to opening it up again for regular use.

In the last several months, I have been consulting with our Pastoral and Finance Councils about a couple of foreseen enhancements to our church building interior. Our HVAC system is about 16 years old at this point and is in need of replacement. Each year during the severe weather spells, hot or cold, the system has needed careful monitoring and servicing. An updating of the equipment will simplify the operation and increase its reliability. I am proposing that the replacement of the HVAC be funded by this year's Summer Appeal, which it is hoped will cover a significant portion of the cost. We're currently in the process of receiving bids from local HVAC companies. I'll let you know the target amount in a letter to follow, and as always, your response to the Summer Appeal according to your means will be most sincerely appreciated.

On a less-expensive note, but a still worthy initiative, we're going to place translucent curtains on the four church windows facing west. The shading will help reduce the excessive heat generated from the setting sun on the rear seating quadrants, which is experienced especially during the Saturday evening Mass. In turn, it is foreseen that the curtains will help ease the strain on the air conditioning system at these times. The curtains and rods are being prepared by a couple of our parishioners and designed to be easily removed during the cooler months. We're also ordering pull-down shades for the windows in the sacristy that will moderate the heat of the summer's rising sun.

Also, you may have noticed that the statue of the Risen Jesus, which was given in commemoration of our 300<sup>th</sup> anniversary, has now been mounted again on its pedestal with its plaque and placed at the entrance to the hall. It was originally by the church sign, but had to be removed to make way for the expanded front parking lot. I am so glad that the present placement enhances the sense of welcome we would like to extend to all who come here.

For now, with God's blessings and good wishes of health and well-being to you and your families!

~Fr. David

## SCRIPTURE CORNER

Today's readings, like last week's, ask us to meditate on Israel's response to God's Word—and our own. Why do some hear the word of the kingdom, yet fail to accept it as a call to conversion and faith in Jesus? That question underlies today's Gospel, especially.

Again we see, as we did last week, that the kingdom's mysteries are unfolded to those who open their hearts, making of them a rich soil in which the Word can grow and bear fruit.

As we sing in today's Psalm, in Jesus, God's Word has visited our land, to water the stony earth of our hearts with the living waters of the Spirit (see John 7:38; Revelation 22:1).

The firstfruit of the Word is the Spirit of love and adoption poured into our hearts in Baptism, making us children of God, as Paul reminds us in today's Epistle (see Romans 5:5; 8:15–16). In this, we are made a "new creation" (see 2 Corinthians 5:17), the firstfruits of a new heaven and a new earth (see 2 Peter 3:13).

Since the first humans rejected God's Word, creation has been enslaved to futility (see Genesis 3:17–19; 5:29). But God's Word does not go forth only to return to Him void, as we hear in today's First Reading.

His Word awaits our response. We must show ourselves to be children of that Word. We must allow that Word to accomplish God's will in our lives. As Jesus warns today, we must take care lest the devil steal it away or lest it be choked by worldly concerns.

In the Eucharist, the Word gives Himself to us as bread to eat. He does so that we might be made fertile, yielding fruits of holiness.

And we await the crowning of the year, the great harvest of the Lord's Day (see Mark 4:29; 2 Peter 3:10; Revelation 1:10)—when His Word will have achieved the end for which it was sent.
